**Thanks,
Farmers,**
For Taking Such Good Care of Us!

AGRICULTURE WEEK • March 14-20

About half of the wheat grown in the United States is used domestically. The state of Kansas is the largest wheat producer in the United States with North Dakota a close second. Kansas is number one in flour milling in the United States.

FARMERS...Are Natural Heroes!

Wheat supplies about 20% of the food calories for the world's people and is a national staple in many countries. The per capita consumption of wheat in the United States exceeds that of any other single food staple.
