

Easter bunny hops into town

THE EASTER BUNNY was in full dress for the Easter Egg Hunt held Saturday at the St. Francis grade school. The expressions of some of the children as they visited with the big bunny were too cute to pass up. Top left, Aiden Meyer didn't know what to think; clockwise, Reagan Milne was checking out the bunny who was holding her sister, Sierra; Logan Rankin thought he had come to the right party; Breck Lohr thought the bunny was pretty special; as did the Allard kids, Sara and Sidney.
