They will practice camera set-up, exposure techniques, natural and flash lighting, problem situations and questions. Participants are asked to bring their camera, manual, connecting cables...and fresh batteries! There is no cost for the workshop. For more information, contact Chuck at 354-7522, or e-mail at wrightrev@aol.com.

Dealership changes owners

As of the first of the year, MV Equipment has changed ownership. Until that time, it was owned by Cal West and Robert Kircher of Sterling and Jerry and Shelley McArthur of Burlington.

Mr. West and Mr. Kircher have sold their interest to the McAr-

thurs and they are now owners of MV Equipment which has locations in Sterling, Holyoke, Wray, Yuma and Burlington, all in Colorado.

Sterling will continue to remain the company headquarters and Mr. McArthur will plan to spend much of his time at the Sterling location.

MV is the John Deere dealer in Northeastern Colorado with Agriculture, Turf and Commercial Worksite products. MV Equipment is also John Deere's commercial spray dealer for the state of Colorado.

McArthur's family has been in the John Deere business since 1938. Jerry and Shelley have two sons in the business, Cody and Traver.

"MV Equipment will continue to provide its customers with excellent parts, sales and service, like it has in the past," Mr. McArthur said.

Mr. West said he will continue to be busy with other projects and have more time for riding his Harleys and spending time with his wife, Jennifer, at their home in Arizona. More traveling will definitely be in the future. After 32 years with John Deere in Northeastern Colorado, he said, the green and yellow will always have a special place in his memories.
