New windows installed

There are now new windows in the Good Samaritan Village dining room.

The friends of the Good Samaritan Society—St. Francis Village donated money for the windows to increase air circulation and to

improve energy efficiency. Half of the windows were installed last summer in the lounge/activities room, and appeared to make a very positive difference.

Recently, the rest of the windows were installed in the dining

room. All of these windows can be opened to enjoy spring breezes and the fresh air which people appreciate in northwest Kansas.

Travis Milne and his crew, St. Francis, did the installation of the windows.

"The St. Francis Village continues to be very grateful for all the love the communities show through volunteer efforts and through donations," said Carol Redding, administrative assistant. "Feel free to come visit the Village and especially come visit the residents. While there, check out the new windows!"

St. Francis News

Attending grandchildren's events was the reason Betty Jean Winston traveled to Ellsworth, Manhattan, Overland Park and Salina over a long weekend. She had a lunch with Chase Legere, who attends K-State, and she was also in Manhattan to watch Miles Legere, a student at Blue Valley West, participate in a track meet. Unfortunately the meet was canceled due to weather conditions.

She then went to Overland Park to see Miles, who was the referee at a soccer game Saturday morning. Leigh Legere of Overland Park, accompanied her to Salina

on Saturday afternoon where they met Dan Winston and all attended a theater production at Kansas Wesleyan University in which James Winston was a member of the cast.
