# Student receives scholarship

Brooklyn Hnizdil, graduate of St. Francis Community High School, was named the 2010 recipient of the Cheyenne County Historical Society Scholarship. Seventeen seniors from St. Francis and Bird City high schools competed for the \$500 scholarship. One of the requirements of the application for the scholarship is to write an essay on why it is important to know the history of Cheyenne County. The five judges all agreed that many of the essays they

received this year were unusually well-written.

Some excerpts from Brooklyn's essay read, "Knowing the history of Cheyenne County is as important as knowing the history of America... Knowing Cheyenne County history helps us to never forget the struggles and tribulations that the pioneers who settled this county went through. Whether it was living through the flood of 1935, the "dirty 30s," clouds of grasshoppers and thousands of rabbits that destroyed fields, or just surviving those long years, that is something we need to learn and know about."

Brooklyn goes on to say, "Knowing the history... makes you thankful for those who have gone before, but it also makes you proud to be a part of Cheyenne County history. That is what history does. It

Hnizdil

makes you realize again and again what others had to go through so we can enjoy the benefits of Cheyenne County."
