## Student News

### Sterling College

Seth Swihart of St. Francis, will be going on the Sterling College mission trip to Ghana this summer. The team consists of eight members, including Zack Yarbrough, team leader, and Salima Watson, assistant team leader. The team will have opportunities to speak in local churches, schools and even on the street. Team members will

also serve in any other way they can.

"We are excited to teach the people we meet about Christ," said Team Leader Zack Yarbrough. "I have a strong suspicion that they will be teaching us a lot about how to love each other! I will be stretched this summer, but I trust that God has called me to this position for a reason and that He will strengthen me every step of the way."

The Ghana team will leave July 9 and return July 23.

## Helpful Tips

### Reheating refrigerated bread

To warm biscuits, pancakes, or muffins that were refrigerated, place them in a microwave with a cup of water. The increased moisture will keep the food moist and help it reheat faster.

### Broken Glass

Use a dry cotton ball to pick up little broken pieces of glass - the fibers catch ones you can't see!

### No More Mosquitoes

Place a dryer sheet in your pocket. It will keep the mosquitoes away.

### Squirrel Away!

To keep squirrels from eating your plants sprinkle your plants with cayenne pepper. The cayenne pepper doesn't hurt the plant and the squirrels won't come near it.
