Book Review

Book review from the St. Francis Public Library

Deadly Deal
By Fern Michaels
It's an unseasonably cold Thanksgiving at the mountaintop retreat where the Sisterhood has gathered. But surrounded by the warmth of their significant others, close friends and the culinary delights of their mentor Charles's delicious holiday feast, the Ladies of Pinewood are ready to face their next challenge...dismantling

a highly successful illegal baby selling ring...
After years of trying to become pregnant without success, Rachel Damson and her husband Thomas felt their dreams had finally come true the day they brought home their newly adopted twin babies. Though the lawyer Baron Bell who arranged for the surrogate mother changed a hefty six-figure fee, one glance into the eyes of their precious children told then it was all worth it. Until the birth mother reappeared, first demanding more money, then the twins themselves.

Suddenly Baron Bell was nowhere to be found and the Dawsons were once again childless, heartbroken and nearly destitute.
When the case finds its way to the offices of high-profile attorney Lizzie Fox, she can't wait to take down the so-called "Mr. Wonderful." And she knows she'll have all the help she needs as it's just the kind of crime that really gets the Sisterhood's adrenaline flowing. Once they get their hands on the perpetrators there will be hell to pay, and it will cost a lot more than cold, hard cash...
