# Tough start for junior high team

Opening junior high football ac-field who seem undersized or slow tion for the new season took place on Thursday, Sept. 2, in Oberlin. The Decatur Community/Oberlin athletes shutout the young Indians by the score of 28-0. "This may have been one of the

ugliest performances I have ever been associated with as a junior high football coach," Coach Jeff Beims said. "We gained less than 100 yards have tried in a multitude of ways total against Oberlin, and did not record a first down.

"Unless you have coached football, it is sometimes difficult to see the importance of fundamentals and proper technique. As fans of the game we look at certain players and think, "Wow! That guy would be a great football player." Yet they never seem to shine.

"Then we see others excel on the

and wonder how they can stand out among the giants. It's no mystery...it's technique. Good players, whether they look the part or not, understand the importance of good technique on every play. That's what separates the great player from the average one.

Coach (David) Morrow and I to convince our boys of the importance of the "little things," but for whatever reason they aren't getting it. That's why God invented football practice."

The Indians will have the advantage of the home field today (Thursday) when they entertain the Rawlins County/Atwood Buffaloes. Game time is 5:30 p.m.

SHOWTIME: 7:30 p.m.
