Jeff Colyer, Republican Lt. Governor candidate running with Sam Brownback, candidate for Kansas governor, will be in St. Francis at 1:30 p.m. on Saturday at Main Street Java.

The "meet and greet" event will give residents a chance to ask questions and listen to Dr. Colyer. Pastries and coffee will be available, courtesy of the Cheyenne County Republican Committee.

Dr. Colyer is currently serving as a Kansas State Senator from Overland Park. His career has focused on making a difference in people's lives on the local, state, national and international level.

Mr. Brownback is currently serving as a U.S. Senator and is an advocate for Kansas interests. On the Appropriations Committee, he has supported

vital transportation projects creating thousands of Kansas jobs and improving the competitiveness of businesses. He is on the Agriculture Appropriations Subcommittee which oversees the U.S. Department of Agriculture programs as well as food safety and agencies responsible for protection of public health such as the Food and Drug Administration. He is also a member of the Homeland Security Subcommittee.

He is pushing for meaningful tax reform and an optional flat tax, a BRAC-like commission to review and terminate failed or completed federal programs, and to build market and consumer based solutions to health care reform. As a founding member of the Senate Fiscal Watch Team, he supports a balanced budget and reform of the earmark and appropriations process.

City cleanup set for Oct. 20

By Karen Krien
karen.k@nwkansas.com
The St. Francis City Cleanup is set for Thursday, Oct. 20, but there is a deadline of Oct. 14 for residents to call in to have their items picked up.

Those residents having items to be picked up need to call the power plant at 785-332-3031. Anyone calling after the Oct. 14 deadline will need to wait a year until the next fall cleanup. Those calling too late last fall and still have items to be picked up need to call again before the deadline.

"The service is free," said J.R. Landenberger, city superintendent.

Without a call, the city crew is not authorized to pick up items, even if they are beside the trash container.

Items to be hauled away must be accessible. That is next to the alley or street; not behind fences, bushes, utility meters or poles.

There will be a Farmer Meeting at the senior center in Bird City tonight (Thursday) at 7:30 p.m.
