Volleyball girls improve overall record at triangular

By Betty Jean Winston betty.w@nwkansas.com

St. Francis, Wallace County and Rawlins County met in a triangular in Atwood on Tuesday, Sept. 14.

St. Francis posted a 25-18, 25-7 with seven wins and six losses.

"This was a great night for Lady Indians!!" Coach Talley Morrow said. "We love getting off the bus to play and then getting back on after making a clean sweep in the building! The girls are learning how to overcome preconceived ideas of who 'should' come out on top of a game and just play great volleyball.

that are unanswered. If you Grace, seven; attacks, Grace and Varsity volleyball squads from haven't come out to see them play, Figgins 12-of-13t and digs: Jodie you are missing out on a good Hilt 14-of-15. time.

mental lapses and give punches Marin, 27-of-29; kills, Mikaela

"We had 11 aces against Wallace The Lady Indians traveled to Co. (eight by Marin alone), 92 percent serving, and 14 kills this match," Coach Morrow said. "And we beat them in two sets!! We were quite proud of ourselves."

vs Rawlins County

St. Francis defeated Rawlins County 25-15, 25-23.

"This was our first meeting with Rawlins County this season, and we were glad to get to the gym early so that we could watch our St. Francis won this match in opponents play one another," Coach Morrow said.

"We quickly learned of the Buffaloes' triple block on the middle-hitter, so we made certain it didn't work for them against us. We aced them six times, had a 94 percent (46/49) serving score, and took them down with 19 kills (Grace, Figgins had five each) for the day.

"Our serve receive is gaining in excellence with every set we play and we almost made team goal this time. Jodie Hilt (defensive specialist) continues to be our key to backing the defense and setting up the offense. Our setters continue to display excellent accuracy in assisting our attackers. Without them, I don't know where we might be."

St. Francis had one of their best serving percentages against the Lady Buffs. The 94 percent is above the team goal of 90 percent. A number of the players are serving at 100 percent including Marin 12/12; Schlepp 8/8; Trembly 6/6; and Grace 4/4.

Having kills besides the five apiece Grace and Figgins had were Schlepp and C. Hilt with three each, Marin with two and S.

There were 70 good dig/saves with J. Hilt being 14-of-14 and

these boys a couple weeks ago, I turn around," Coach Jeff Beims these young men.

"Early in the year, we couldn't last couple weeks to turn this ship Tuesday, Sept. 16, put a game seem to convince them to do around. I can't wait to get another in the win column for the junior things our way. Since they have shot at Oberlin." high football team. The game was bought into it completely, it is Garrett Brunk played in St. Francis before the a testament to their character in winning touchdown in the 6-0 their willingness to sacrifice for a "As frustrated as I was with team effort and go the distance.

"An important lesson is being could not have imagined a quicker learned here: If you want success, it won't come easy but it is attainable said. "I am extremely proud of with hard work and discipline. record into the 5:30 game today These guys have worked hard the

shutout of Oakley. He had a long 76-yard breakaway run in the fourth quarter for the only trip to the end zone in the game.

The Indians will take their 1-2 (Thursday) at Greene Field.

Program cutoff date announced

The application evaluation Internet at offices.usda.gov). cutoff date for the Environmental and Wildlife Habitat Incentives Program (WHIP) is Nov. 15, according to Eric B. Banks, state conservationist for the Natural These programs were authorized under the Food, Conservation, and

"These two programs are very popular with producers in Kansas, and the conservation service wants to give producers time to get a conservation plan developed and get an application submitted in a timely manner," said Mr. Banks.

"I know fall crops will need to be harvested and everyone will be busy. Setting the cutoff date now, should allow producers to get a plan and sign an application.

"Stop by the Natural Resources Conservation Service office at your first opportunity and get the process started," said Mr. Banks.

Applications may be submitted anytime; however, applications submitted by the Nov.15 cutoff date will be evaluated for Fiscal Year 2011 funding.

Apply at Local Office

Landowners and/or operators eligible cropland, rangeland, or forestland with Quality Environmental any Program/Wildlife Incentives Habitat Incentives Program natural resource concerns should apply at their local field office and work with them on a conservation plan. The office is located at your local U.S. Department of Agriculture (USDA) Service Center (listed in the telephone book under United States Government or on the
