

College singers perform in area

Lauren Zwegardt, 2007 graduate of St. Francis Community High School, and Kaedra Dixson, 2007 graduate of Cheylin High School, performed with the Highland Singers of Sterling College on Oct. 23 at the United Methodist Church in Atwood.

The Highland Singers is a small vocal ensemble selected from the larger group called the Sterling Chorale. They perform a variety of musical styles from classical to contemporary. The Singers represent the school

by touring high schools and churches throughout the school year working closely with the admissions department and alumni office.

The Highland Singers have been invited to perform this December in Kansas City and in Lincoln Center in New York City this spring.

Lauren is the daughter of Kary and Kim Zwegardt of St. Francis. Kaedra is the daughter of Kevin and Abbi Dixson of Atwood.

Parent/teacher conferences held

Parent/teacher meetings at the St. Francis schools will be held during the day Friday with additional junior/senior high school meeting on Monday evening. There will also be a financial aide meeting on Monday evening.

The elementary school meetings have already been scheduled by phone. They are being held from 8:30 a.m. to 4 p.m. on Friday.

If you have not talked to either the teacher or office, Scott Carmichael, principal, said, you are asked to call and they will give you a time to meet with the teacher.

The high school schedule is from 9:30 a.m. to 11:30 a.m. on Friday and again from 5:30 p.m. to 7:30 p.m. on Monday evening

Ward Cassidy, school counselor, will present a financial aide meeting for post-high school placement for junior and senior parents. The meeting will begin at 7 p.m. Monday in the cafeteria and will last approximately 30 minutes.

"We look forward to this opportunity to talk and work with the parents of our students," Mr. Carmichael said. "In the past our Monday nights have really worked well. We are hoping that parents will try to come up on Friday also. We will have sign-in sheets with our teachers for the parents to sign."

"We look forward to seeing all of you."

The Social Network

On a fall night in 2003, Harvard undergrad and computer programming genius Mark Zuckerberg sits down at his computer and heatedly begins working on a new idea. In a fury of blogging and programming, what begins in his dorm room soon becomes a global social network and a revolution in communication. A mere six years and 500 million friends later, Mark Zuckerberg is the youngest billionaire in his-

tory, but for this entrepreneur, success leads to both personal and legal complications.
