CHRISTMAS OPENING IN ST. FRANCIS on Nov. 26 was the perfect time for taking lots of photos. Santa, top right, wasn't the most popular guy when Adele (left) and Madeline LaFarge were placed on his lap. Clockwise, the Once Again Band entertained in front of the senior center. Pictured, left to right, are Crissy Poling, Margaret Poling, Jim Milliken and Sondra Bracelin; enjoying the soup supper at the center were Paul Krueger, Gene Kincheloe and Dolores Wiley; Jace Landers was a little shy as he talked to Santa.
