Student News

Colby Community College

Colby Community College Equestrian team members earned several first place wins at two western show held Feb. 12, at Nebraska College of Technical Agriculture in Curtis, Neb.;

"It was another successful day for our team," said Shanda Mattix, coach.

Savannah Isely of Bird City placed first in Novice, Show 1 and third in Novice, Show 2.

The team competed Feb. 19-20 at the University of Nebraska-Lincoln for the final western show of regular season competition.

Northwest Kansas Technical College

Aleisha Bremenkamp and Jance L. McKee of Bird City were named to the honor roll at Northwest Kansas Technical College for the fall 2010 semester.

Wichita State University

Andrea Holzwarth of St. Francis was among the more than 2,000

students who were on the Wichita State University's dean's honor roll for fall 2010.

To be included on the dean's honor roll, a student must be enrolled full time (at least 12 credit hours) and earn at least a 3.5 grade-point average on a 4.0 scale.

University of Oklahoma

Holly Keller of St. Francis was among the students from 47 states and the District of Columbia listed on the University of Oklahoma Norman campus honor roll for the fall 2010 semester.

In most colleges, students must earn a minimum 3.5 grade-point average on a 4.0 scale to be included on the honor roll. Students in the College of Architecture are recognized with a 3.3 or better and students in the College of Engineering are recognized with a 3.0 or better. Students must be enrolled full time in at least 12 credit hours.

A Block Fest is planned March 8

A Block Fest is happening on Tuesday, March 8. Everyone is welcome to attend this program for children age 12 months through first grade who are learning math and science through block play. Parents must be present. Please call Lori Rieger at home 332-2418 or at Head Start 332-3110 to sign up.

The first session will be at 4 p.m. and the second session at 6 p.m., both on March 8, at the grade school gym in St. Francis.

Building with blocks can be a great, fun learning experience for a child. Block play can help prepare the child for future success in math and science.

When children play with blocks, Mrs. Rieger said, they engage in play that builds understanding of math and science concepts and redeveloping numeracy, the understanding of numbers in everyday life, just like literacy is the understanding of letters and words.
