"It's over....." belts out Roy Orbison's song. You people of few years may know what and whom I'm speaking of. My **Election Campaign** for school board is over...almost. I want to congratulate the winner, Cory Busse, as our new board member. I want to thank Bonnie Zwegardt for the years she spent serving on USD 297's Board of Education. May I sincerely thank you, all 139 of you, who voted for me as I ran. My intention was not to divisive and to accept the election as it ended. My only hope is that we as Americans turn out and vote our beliefs, every time we have opportunity. People around the world die for that; only 23% of us really cared.
