Sixth graders place in contest

The St. Francis Elementary sixth graders participated in the PTA Citizenship Essay contest. This year's theme was "What all kids need to know about citizenship is..."

Judges at the local level found Joel Hill's essay to be the first place winner; second place went to Danielle Frink. The PTA sponsored their way to Topeka where they were pages for Rep. Ward Cassidy.

Below are the winning essays:

By Joel Hill
I think to be a good citizen first you should volunteer, to be friendly, and help with activities. First, I would look around town for places to volunteer like a Good Samaritan center or a church. Next, I would be friendly

to everybody even people of another race. I also would help with activities like churches or summer sports. I would help by not littering and picking up other people's trash so I could help keep the town clean. I would help at the hospital by taking food to the patient's. I would also help old people by mowing, raking, and scooping snow for them.

By Danielle Frink
I think what all kids need to know about citizenship is to be respectful of others and their property. For example, do not throw trash such as cans into other people's yards. This brings me to the next reason that kids need to know about citizenship. Do not

Tour stops in St. Francis

International evangelist, Lisa MacFarland, is traveling to Northwest Kansas during her Wake Up Tour with stops in St. Francis, Oberlin, Norton and Hays. All are welcome at the band shell in Sawhill Park, at 7 p.m. on Thursday, June 2, to hear what God is saying in this day when unrest and tragedy is all around us.

Ms. MacFarland is the founder of Warring Dove International Ministries which encourages men and women to seek the glory of God and contend to see "His kingdom established on the Earth as it is in Heaven."

"God is raising up men and women who are ready to take back the Kingdom," she said. "Our teams pray on the streets, worship in churches and declare the Word of God as He directs."

Ms. MacFarland calls those who travel and minister with her the "Wardoves" (Song of Solomon 2:10-12). "These servants are sold out to God. God has given us a mandate to release Heaven on the earth and set the captives free," she said.

What started out as a group of women who wanted to intercede for their city has grown into an international ministry that is still growing. They host events, conferences and mission trips. Often God sends them to places to proclaim freedom and to "shift the atmosphere through prophetic words and acts."

Recently, Ms. MacFarland has ministered in Israel, India and Mexico.

Eagle Rock, the mission base for Warring Dove International, is located in Lawrence. Flight School, an intern program that trains and teaches future worship warriors and ministers is also based at Eagle Rock. She currently serves on the council as a regional leader for Govern-

strategies and weapons to take back your city. God has been speaking to you; you have felt the urge to go deeper, higher and to be more fully submitted.

Psalm 149:6-8 says, "Let the high praises of God be in their mouths, and a two-edged sword in their hands...to bind their kings with chains, and their nobles with iron fetters."

We believe that as we worship God, she said, He releases His angels to bind principalities and release His Glory. Countless times, we have watched God as He comes as the Breaker (Micah 2:13) and breaks through in a city, church or individual's life. His Presence changes everything. When Heaven is released, the atmosphere changes over the city and a breaker-anointing begins to affect changes. Please come and bring others who want more of God."

After her stop in St. Francis, Ms. MacFarland continues the Northwest Kansas portion of The Wake-Up Tour with stops in Oberlin, Norton, and Hays.
