

Young football team suffers first loss in overtime

By Nathan Fiala

The junior high Indians lost their first game of the season in double overtime on Sept. 15 to the Oakley Plainsmen with a score of 12-6.

This was one of those good old fashioned rivalries, Coach Kyle Buffington said.

The game was pretty evenly matched until about three minutes left in the fourth quarter, when Garrett Brunk ran in a 65 yard touchdown. Oakley answered back quickly and the game went into two overtimes and Oakley scored again.

"Oakley has a good team with some talented athletes which made

this the toughest game by far this season," Coach Buffington said. "It's always tough to lose a game like this. The boys played their hearts out to the bitter end and fell short on the scoreboard but not as young men. I was certainly proud of their efforts."

vs. Rawlins Co.

The junior high Indian football team squared off against Rawlins County on Sept. 8, winning by a score of 32-8, bringing their record to 2-0.

For the second week in a row, I thought we came ready to play right from the opening kickoff, Coach Kyle Buffington said. This was another fun win for us.

Sainty started strong in the first

quarter with Clay Cassaw running in two touchdowns, Justin Pacheco running in the extra point. Cassaw took in another touchdown in the second quarter and Travis Rogers also ran in a 55-yard touchdown. In the third quarter, Lane Hobrock returned a 78-yard kickoff.

Offensively, we ran just about anything we wanted to run, and did it successfully, Coach Buffington said. We got an opportunity to get the younger kids in the game after half-time so everyone had a chance to gain some experience. The competition will certainly continue to get tougher and we still have some mistakes to learn from.

Junior varsity ladies match up against Rawlins County Buffs

By Nathan Fiala

The junior varsity Lady Indians matched up against Rawlins County, losing in two sets with scores of 15-25 and 17-25. The team fared better against their second opponent, Wallace County, winning the match 25-21 and 25-21.

This was a night of contrasts, Coach Jeff Olofson said. In the first match, we made numerous serving errors, especially on first serves. When this happens, momentum immediately goes back

to the opponents. Both teams we faced were good serving teams and to beat them we had to serve well. Rawlins County out served us and they won.

In the Wallace County match, we served and passed better, Coach Olofson said. We did not miss as many first serves so we were able to score short strings of points. If everyone generates a few points on offense, the team can win.

C-Team Action

The C-team has not had many

opportunities to play this season, so Rawlins County agreed to play the Indians twice on Tuesday. Sainty won both matches with set scores of 14-25, 25-22, 15-12 and 26-24, 19-25, 15-7.

Both matches were competitive and both teams had their ups and downs, Coach Olofson said. The young Lady Indians did a good job of serving and this helped us win. It is fun to watch these young ladies as you can see improvement virtually every time they play.

Cross Roads

By Fern Michaels

Its been a year and a half since the women of the Sisterhood received their presidential pardons, but the freedom they craved has come at a high price. The impossi-

bly lucrative positions handed out to them by the mysterious Global Securities company have turned out to be golden handcuffs-scattering them around the world, cutting off communication, and leaving them in miserable isolation. They desperately miss the closeness and camaraderie they once shared, and

the thrill of the missions they accomplished together. Suddenly, the only thing that matters is getting back to the States and reuniting the Sisterhood.

It's a deliriously happy homecoming at the old Virginia farmhouse as Myra and Annie welcome their precious flock one by one. The last to return to the flock are Nikki and Kathryn, who joined up in London and are making the final leg of the trip back to Washington D.C. together. But the moment their private jet hits cruising altitude, it appears they've flown right into a trap. For their few fellow passengers-they're an elite group of Interpol agents who urgently need the Sisterhood's help.

Now the ladies face a stark choice: resume their vigilante status for one of their most hazardous assignments yet, or try to outwit a group of powerful adversaries willing to use truly desperate measures. This time, everything is in the balance-their lives, their friendship, and the freedom they fought so hard to gain...
