

Junior high boys keep winning

By Nathan Fiala
nfiala@nwkansascity.com

The Junior High boys basketball team has started the season well, the A, B and C teams all walking away with wins against the Rawlins County Buffalos on Tuesday, Nov. 8.

The A-Team beat the Buffalos 35-16, with Carl Fabre scoring 12 points, Garrett Brunk with eight, Jakob Church with seven, Jude Faulkender with four and both Clay Cassaw and Lane Hobrock scoring two points apiece.

The first half of this game was very competitive, Coach David Morrow said. The Buffalos were able to find some holes in our defense and score some points. In the second half, our defense was much, much better, holding Rawlins County scoreless that entire time.

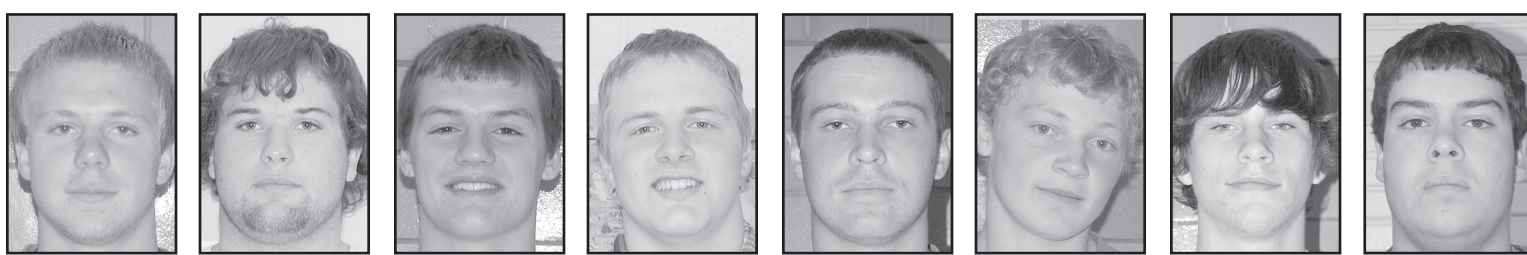

The guys gave another great effort in this game. Coach Morrow said. Carl Fabre was very tough on defense and ran the court well in transition. Garrett Brunk also played great defense. In the second half, he managed to get to the free-throw line several times. Jude Faulkender and Jakob Church both shot the ball well for us. Lane Hobrock played great defense in the second half. The quickness of Clay Cassaw and Philip White really helped us get the defense shored up in the second half.

The B-Team was also victorious against the Buffs, the score of their game 28-6. Taylor Rogers scored nine points for the Indians, Francisco Fernandez scored six, Austin Patton scored four, Joel Hill, Quinton Cravens and Chris Hoard all scored two points apiece and Jeremiah Neitzel put up one point

on the board. We had another sluggish start in this game, Coach Morrow said. Defensively, we played very well, but it took about a quarter for the offense to find its footing. Once we got into the flow of the game, things started to roll pretty well. Taylor Rogers hit a three-pointer in this quarter, and Francisco Fernandez was able to convert a steal into a lay-up. From that point to the end of the game, the guys were able to keep up the pressure on defense and score some points in the transition game.

The C-Team game was only played for two quarters, but Sainty got the win with a score of 15-5. Ryan Grover scored five points, both Chris Hoard and Payton Beims scored four points apiece and J.R. Landenberger scored two points this game.

A couple of the teams in our league have enough players to field three full teams, Coach Morrow said. Since we have 21 players, we were able to play Rawlins County in two quarters of a C-team contest. These guys played very well for the most part, Coach Morrow said. J.R. Landenberger handled most of the ball-handling duties. Zach White played well in his guard position. Payton Beims and Chris Hoard dominated in the post area, both players scoring four points. Ryan Grover had five points in the second quarter, three of which came from a three-point shot. All in all, I was pleased with the effort of these guys. Many of them played in the B-game but had enough quarters to help us out in this game. We anticipate playing a full C-team game against Oakley.

The American Legion Post 134 and the Community Center of Haigler is in need of air conditioning in the building. As many know, summers seem to have gotten hotter as the members get older, and the use of the facility for the Post and the community, (and surrounding areas) is lessening due to the lack of air conditioning in the building. Meetings are no longer held in the summer, rentals for parties, such as graduation, family reunions and other special gatherings are no longer being booked at the Post - all because of no air conditioning.

The Sons of the American Legion Post 134 have been working hard for a long time and saving for the air conditioning project. They have raised money from many

various projects. While they have accumulated approximately one-half of the needed funds, there is still a long way to go.

It was suggested that a bank account be set up to receive "matching funds" for the purchase of the needed air conditioning units.

The account has been set up and to date there is \$1,100. All matching funds will be deposited to this

special account and if we cannot reach our goal of \$7,500 on or before May 31, all money deposited will be returned to the donor.

Checks can be mailed to American Legion Post 134, P.O. Box 56, Haigler, NE 69030. Please make your checks payable to "American Legion Post 134 AC Account." A receipt will be returned.
