End-of-school activities enjoyed —

THERE ARE so many activities going on at the end of school and The Herald has taken photos of most of them. During the next month, some of those photos may be printed. Above, left, Kris Doyle helps his daughter, Kaylee, bring in a fish during the Headstart Fishing Day; clockwise, Maggie Hingst hugs Tanner Kinen's dog; Mason Schmid, left, and Jordan Raby were running a race at the elementary school track meet; each year, sixth graders rake the lawn at the hospital; Dravin Houtman was another runner at the track meet.
