

# Record broken in Oberlin meet

By Douglas Sloper  
dsloper@nwks.com

The St. Francis junior high Indians and Lady Indians traveled to Oberlin on Thursday, April 24 and again came away with an impressive team and individual performances.

Roadrunner, Jordan Raby set a new Indians 7th grade record in the 400 Meter Run, breaking a 39 year old record. He flew down the track in 59.09 which broke the old record of 59.4 set by John Bengston in 1975. Congratulations Jordan!!

The Indians finished first with 108.99 points and the Lady Indians finished third with 72 points. In this meet 6, 7, and 8 grades competed together in each event. This gave the lower grades a chance to shine against possibly stronger competition.

We had another outstanding day of competition, said Coach Kent Kechter. I was very pleased with our effort and the results of the meet. St. Francis athletes won 10 events. This group is fun to work with as they have athletic talent, good work ethic, and a competitive drive.

## Lady Indians

The Lady Indians again came through with some strong individual and team performances. Zoe Sundstrom finished first in the 100 and 200 Meter Hurdles. The 4x200 Meter Relay team of Reagan Beims, Emileigh Dinkel, Matthisen Witzel and Jylian Laten took first place. The Lady Indians 4x400 Meter Relay team, Madi Tice, Zoe Sundstrom, Jylian Laten, and Joslyn Ketzner also came in first place. Jessica Confer finished first in the Discus.

# Alumni plans set

The invitations and letters to St. Francis Community High School alumni will be going out shortly. The formal invitations will be sent to those former graduates and letters will be sent to other alumni not in honor classes but still welcome to come and enjoy the celebrations.

Penny Raile, SFCHS graduate, has the invitation printed, and they will soon be in the hands of Susan Dinkel who is coordinating the addressing, stuffing of class letters, and mailing.

At a recent Alumni Celebration committee meeting, it appeared that plans were progressing, if maybe a little later on contacting alumni. It was noted that this is the first year without the coordination of Shirley Zweygardt, who resigned.

The meal has been planned with Linda Ketzner, SFCHS graduate, heading that committee. There will be grilled KC strip steak, potato, salad and cookies on the menu.

It will be a sit-down meal with those attending being served by high school students. A contest for the best chef will be held and all proceeds collected will be donated to the alumni fund for future alumni celebrations.

People are urged to get their reservations in early. Chef Ketzner has only ordered 400 steaks, and when she is sold out, there will be no way of ordering more.

There are a number of activities planned, but the latest is combining "Celebrate St. Francis" as part of the alumni activities. For more information, contact Tom Keller at [tomekeller48@gmail.com](mailto:tomekeller48@gmail.com) or call him at home, 785-332-3991, or his cell, 785-332-8516. Look for more information in future stories printed in The Herald.

The next alumni committee meeting has been set for 7 p.m. on Monday, May 19, in the high school cafeteria.

## 20 YEARS

Continued from Page 1

others bought on the spot, while others just enjoyed looking. There were those who came in who became genuine friends, coming back time after time, if not just to buy, but stop and visit.

Among those who were regular customers though the years were the wives of pheasant hunters. Often, they came for the weekend with their husbands, but were left with little to do, so they shopped, some even ordering for the holidays.

I wanted the shop to be a place where people could do lots of shopping, and I stayed open for them, she said.

She also stays open extra hours during the Christmas holidays, giving husbands and others a place to stop in and buy special gifts for their spouses and family.

Mrs. Stevens is always involved in community events, including giving Beanies and stuffed animals to the emergency room to be used for children suffering trauma. They

were also kept in the ambulances. When Krissy Barnhart was suffering with cancer, she had a silent auction fundraiser, offering the rare Purple Princess Beanie Baby.

She gave Beanies for the reading programs in the school. The reading program, she once said, was dear to her heart. She had so much trouble reading as a child she wanted to do something to encourage children to read and enjoy reading.

She also donates T-shirts for events at the fair and Bible schools.

When the economy was a little better, she was able to hire more people. During the Christmas holidays, she had five employees. She has also had some very faithful employees including her aunt, Naomi Holliman, Velma Goodell, Gwen Keller, Donna Zimelman and, today, Gina Hunt works for her.

## Stop by on Wednesday

People are encouraged to stop by the shop on Wednesday, May 7, and take advantage of the many bargains and discounts. Don't forget to attend the scarf tying workshop.
