The Sainty Sharks were in action at Benkelman, for the last regular season meet of the season, on Saturday, June 28. The Sharks had many great swimming performances.

Super swimmers Skye Feldman, Emma Johnson and Lindsay Patterson each won all their individual races. Cassie Cooks and Emily Elfers got the super swimmers backstroke flip turn award. Shadryon Blanka and Katie Wurm get the super swimmer freestyle flip turn award.

I had some young swimmers who were thrown into some relays and helped out tremendously: Maggie Hingst, Breck Lohr, Madison Siegfried and Matilyn Smull. Great job girls!, said Coach Margaret Poling.

Jasper Hunt gets the most improved backstroke time, going from 2:04.10 to 1:23.10. Super swimmer improvement award.

It was great fun to have Cassie Cooks with us for a week. She's a great leader and helped fill in for the relays. Emily Elfers has also been coming in and helping with the younger kids. It seems we have several levels of swimmers

and she can work with one or two of those levels while we are working on strokes and technique with the others. What a great help this is!, said Coach Poling.

Last week not all the butterfly results were posted. Alexis Frink and Lindsay Patterson both finished first in their events.

This week the Sharks will be at home on Wednesday, July 2 beginning at 6 p.m. This will be a relay meet and you don't have to be a member of the team to swim, said Coach Poling. Please come down and support the team and Kary from Majestic will be serving fried chicken dinner. We are getting ready to prepare for qualifying then on to the championship meet. Keep working hard and chomp up the competition.!
