

# University seeking businesses to provide internship jobs

The Management Development Center is seeking businesses interested in providing internship employment opportunities for College of Business and Entrepreneurship students at Fort Hays State University.

Thanks to a generous donation from the Dane G. Hansen Foundation and Peter and Paula Werth, businesses can hire a student intern at a significantly reduced cost through this program. Students will be employees of Fort Hays State University. Student applicants will be screened by the Management Development Center Director with each business making the final selection on the student intern.

For \$500, businesses can receive a college intern for 15 hours per week for 16 weeks (one academic semester). The first payment (\$250 deposit) for fall student interns will be due on September 1. The second payment will be due at the end of the semester on December 1 (remaining \$250).

Internships may be renewable for one more semester for an additional \$500 investment and with

approval by the Management Development Center Director.

Internship opportunities are available in the areas of accounting, management information systems, finance, business communications, human resources, economics, operations management, marketing, tourism and hospitality, computer networking and web design.

Businesses interested in this opportunity can email the following application information to [mdc@fhsu.edu](mailto:mdc@fhsu.edu) or contact Sabrina William, Management Development Center Director at 785-628-4124 for more information. Funding is limited, so businesses and students will be selected through a competitive selection process.

Priority will be given to Northwest Kansas businesses or individuals who are in the start-up process or in their first 1-3 years of business; however, all businesses are welcome to apply! Priority deadline for applications is Friday, August 1, 2014.

# Spots are still available as deadline for tour is extended

Spots are still available for the 2014 No-till on the Plains bus tour, Aug. 5-8. The tour will start in Kansas and work through Oklahoma. The deadline for registration has been extended until July 31.

The tour will originate in Salina, with pick up points in Halstead and Stillwater, Okla. Participants will get to see long-term no-till fields, cover crop plots in Kansas and Oklahoma cover crops used for forage and soil pits at several stops. There will also be professional no-till experts and long-term producers riding the bus. Tour participants will get the

opportunity to network with these people and learn about their work and production practices.

A visit to the Samuel Roberts Noble Foundation is planned on Aug. 6. Tour participants will stay on the Noble Foundation campus, hear from Foundation staff, learn about the services offered and get a tour of the facilities. This is a great opportunity to experience a world-class agriculture organization and facility.

Registration is available online at [www.notill.org](http://www.notill.org) under events or by calling 888-330-5142. The Points South Tour cost \$675 per person for double occupancy

(lodging) and \$825 per person for single occupancy. Very limited numbers of single rooms are available.

The tour is generously sponsored by: Green Cover Seed, Sharp Brothers Seed, Kauffman Seed, Koch Agronomic Services, and Alva State Bank.

# Swim team participates in championship meet

The team headed to Lexington, Neb., early Saturday morning. Some families went up Friday night. The weather was very cooperative, said Margaret Poling, coach, and we didn't bake. It was a long day and I was extremely proud of the swimmers.

I totally appreciate all the support from the parents and the citizens of St. Francis who cheered on the team. I especially liked the team spirit and all the families that came to watch and support all the swimmers. They made me very proud, said Coach Poling.
