Love,  
Your Three Girls*

May you find serenity and tranquility in a world you may not always understand.  
May the pain you have known and the conflict you have experienced give you the strength to walk through life facing each new situation with optimism and courage.  
Always know that there are those whose love and understanding will always be there, even when you feel most alone.  
May a kind word, a reassuring touch, a warm smile, be yours every day of your life, and may you give these gifts as well as receive them.

Find time in each day to see the beauty and love in the world around you.  
May you see your future as one filled with promise and possibility.  
Learn to view everything as a worthwhile experience.  
May you find enough inner strength to determine your own worth by yourself, and not be dependent on another's judgements of your accomplishments.
