## Group visits Saintry

On July 6, members of the high school youth group from Messiah New Hope Lutheran Church, Sioux Falls, S.D., were evening and overnight guests of Peace Lutheran Church members in St. Francis. The group, led by Pastor Eric Norgard, Katie (Button) Peters, youth director and former St. Francis resident, and Doug and Carol Dreke, stopped in St. Francis on their way to Denver. The purpose of the trip was to participate in a week-long Urban Plunge mission trip.

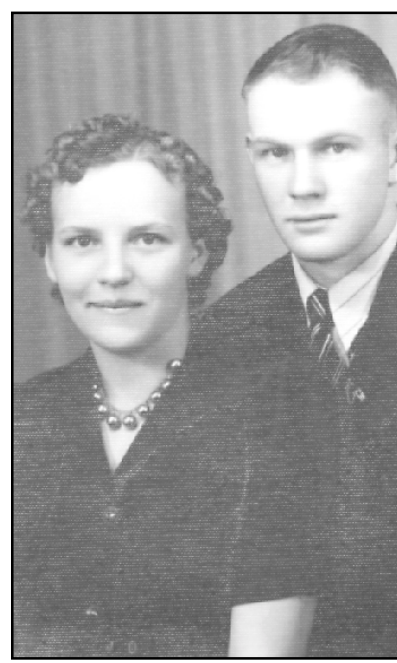

Upon arrival in St. Francis, after a nine-hour van ride, the South Dakota group went to a pool and pizza party with St. Francis area youth groups. After the swim and their bellies were full, they were allowed use of the school locker rooms.

"Peace Lutheran Church graciously opened their doors (and floor) for them to hang out and eventually get some sleep," Mrs. Peters said.

The next morning, they enjoyed fresh donuts and juice (and lots of hot coffee!) before worship. They were welcomed into worship and invited to be part of the service by sharing their plans for the mission trip and even singing a little bit. After worship there was more food and so many people who visited with them, helped them take pictures.

"They made us feel very much at home," Mrs. Peters said.

## Our School Is Great

By Marvin Miller

I think the St. Francis Grade School is great because we have the most wonderful food! We have the best teachers! We have great kids!

The kids don't smoke, dress in nice clothes, don't drink, or make bad choices.

The teachers and kids are very hard working, and never waste time.

Our principal is great too. Every morning he comes on the intercom and tells us what we're having for lunch. Come to our school.

By Matt Raile

St. Francis Grade School is a good school like most school's are, because we are so lucky to live in the "Land Of The Free."

We go to the school because we want to get an education and play sports.

We have great lunches and great teachers. We have a great librarian. Our school is very clean. We have great janitors and a good P.E. teacher. You get to play fun games in P.E. We have big classrooms and great teachers.

I hope you come to our school.
