Lesson given on calcium at meeting

The American Legion Auxiliary met for their regular meeting at noon on Friday, Sept. 6. Karen Jones who is the Northwest Area Family Nutrition Program Assistant gave a very informative lesson on calcium boosters and ways to increase your calcium intake. She served a luncheon consisting of a menu with short preparation time and calcium rich. She was assisted by Hulda Dorsch. Twenty-eight members and four guests appreciated and enjoyed the luncheon and lesson. After lunch the members adjourned to the lounge and held their regular Auxiliary meeting. Carol Brubaker extended an invitation to Century II for the Nov. 2, dinner. Cossette Kimmel was welcomed as a new member and Gwen Boswell will plan a float for Homecoming. Dorthy Mast presented Hulda Dorsch, President, with the Flag Book on all Cheyenne County veterans that she and Rosemary Powell have researched for the county. It was well received by the group. It was a great way to begin the fall meetings.
