

Cheyenne County 4-H'ers do well at state fair in Hutchinson

Many of the Cheyenne County 4-H'ers either attended or entered items at the state fair held last week in Hutchinson.

"I am very proud of our 4-H members for taking time out of their busy schedules to participate at the State Fair," said 4-H program assistant, Susan Knodel. These 4-H'ers made a choice to attend and represent their county. This dedication to the 4-H program and to their projects says a lot about Cheyenne County 4-H'ers."

Cheyenne County - Judging Team, 34th out of 68th

Goodland Elks Lodge 1528 is initiating a Blue Star Flag Program in an effort to obtain information from families in the area about sons/daughters or spouses who are presently on active duty in the Armed Forces.

This flag/banner program was used in World War II as a way to honor those men and women who were serving and protecting this country at that time.

Goodland Elks Lodge would like to honor those serving in the Armed Forces now in the War Against Terror-

ism by obtaining blue star flags/banners to be presented to their families in this area.

Please mail to Zona Price, secretary, Goodland Elks 1528, Box 146, Goodland, KS 67735 the following information: name of active service man/woman; branch of service, rank, current base/ship; relationship to family (husband/wife/child)

After this information has been obtained and flags/banners ordered, a public function will be held for presentations.

CHILDREN, TEACHERS, and parents join to remember September 11, one year ago.

Idalia students remember

As a tribute to those who protect this country and to those who lost their lives in the terrorist attacks one year ago, Idalia School hosted a morning of re-

membrance on the one-year anniversary of Sept. 11.

All students circled around the flagpole to say the Pledge of Allegiance

and to participate in a flag lowering ceremony conducted by Idalia Student Council president Ben Krause and vice president Joby Rittenhouse.

Following the flag ceremony, a brief speech was given with a patriotic message, and Jackie Doddridge read an original poem called "One Nation." A moment of silence followed, and then students released 50 red, white and blue helium-filled balloons as a symbol of their country's freedom and unity.

United States Air Force concert band in Colby

Western Plains Arts Association is proud to sponsor "America's Band," the United States Air Force Concert Band and the Singing Sergeants on Tuesday, Oct. 8 at 7:30 p.m. central time in the Colby Community Building.

The United States Air Force Concert Band and Singing Sergeants come together to form the flagship musical ensemble of the United States Air Force Band. This combined group represents the best-of-the-best in musical talent and educational within the United States Air Force.

The Concert Band - the premier band of the United States Air Force - is a world-class symphonic wind ensemble. The 65-member band performs a wide variety of musical repertoire from light classics, popular favorites and instrumental features to the

most serious classical transcriptions and original works for the band idiom and is in constant demand.

The Singing Sergeants is the official 23-voice chorus of the United States Air Force. They are one of a select few singing groups internationally recognized and respected for its continuing commitment to excellence in vocal performance. As a matter of interest, two of the Western Plains Arts Association current board members were members of the Singing Sergeants, Cecil and Jayne Humphrey Pearce of Wallace.

This is a free concert but tickets are required for the performance. They may be acquired by sending your requests to Pat Ziegelmeier, Western Plains Art Association Executive Director, at Colby Community College, 1255 South Range, Colby, KS 67701.
