Thank You

The junior class of SFCHS would like to thank the community for buying magazines and giving donations. We appreciate your support over the years.

I want to thank everyone for the cards, flowers and visits while I was in the hospital and since returning home. I want to thank my daughters for being with me. I also want to thank everyone

for their prayers and for God's faithfulness in answering. Ad Childers

Thank you Rick, Dawn, Brooke and Brittany for sharing all your wonderful garden fruits and vegetables, it was greatly appreciated. Kurt, Margaret, Lezlie, Travis, Trey, Trevor and Lexi.

My heartfelt thanks to all of you who helped my family and me following my rather bizarre accident with the bulls. Your phone calls, cards, flowers and gifts meant a lot during my two-week stay in Denver hospitals and since I've been home. (Even your corny bullfighting jokes!) You have made this last month easier by your concern. Idalia ambulance crew, thanks for your quick response, your reassurances and efficient, gentle touch. Burlington emergency staff and ambulance crew, thanks for your help and kindness also. I will be up and walking very soon due to your care and training. Also, I have been overwhelmed by your cards and phone calls from near and far following my teaching retirement. Each memory has been very special, recalling times we spent together learning and sharing experiences. Thanks again for reminding me how important family and friends are in our lives.
