Defense holds Cowboys scoreless; Sainty wins 30-0

By Betty Jean Winston

Win number three for St. Francis came on a 30-0 shutout of Northwest Kansas League opponent Goodland on Friday evening in Goodland. This was the first league game for the Indians, and the remainder of the regular season will be against league

All four teams in District 14 are also league teams (St. Francis, Atwood, Hoxie and Oberlin). The Quinter/St. Francis game on Oct. 11 will be the Homecoming game.

Interestingly enough, St. Francis stands with one Kansas win, one Colorado win and one Nebraska win after week three. "This was a good game," Coach Tim

Lambert said. "We beat a quality opponent that played hard all four quar-The Sainty defense was very stingy

the coach said. Goodland did have one sustained

scoring drive during the evening but could not come up with that final push into the end zone. Although St. Francis had some good

rushing statistics and the passing attempts resulted in a number of completions, they did have more fumbles than they would like and also the number of penalties could be lowered. Sainty scored once in the first quar-

ter on a 93-yard drive with Tyler Voorhies handling the quarterback duties. The Indians ground game was excellent at eating up time on the clock. This drive began with a penalty flag

against the Indians on their first play following the kickoff run back by Marcus Dodd. The move back put Sainty on their own 7-yard line.

St. Francis needed a few first downs along the way to sustain the drive but then junior Michael Raile broke loose for a 65-yard touchdown to give Sainty the advantage. Trey Hilt added the two-point conversion and Sainty had all the points they needed for the win, although they didn't know that and even if they did they would play the remainder of the game with full inten-

With Goodland having no success at all moving the ball, they were forced to punt and Sainty again controlled the ball. This time the drive was cut short by a turnover.

Goodland could not take advantage of the opportunity and it was not long before they were again forced to punt. Goodland was not handed many special opportunities and failing to capitalize on them hurt their effort.

On Sainty's next series, they had enough confidence in their ability to try a fourth down rushing attempt rather

Atwood By Betty Jean Winston

A win over Atwood and a loss to Sharon Springs were the results of the

first junior varsity volleyball matches played in St. Francis. "These were two good matches," Coach Jeff Olofson said.

Sainty defeated the Lady Buffs from

Atwood by scores of 15-9, 15-12. "Against Atwood we served well and we took advantage of the opportunities we had," Coach Olofson said.

Sharon Springs played St. Francis hard as the Lady Indians took them to three games before the Lady Wildcats emerged as the winner. Sharon Springs won the first and third games and St. Francis the second game. Sainty staged a comeback in the third game but fell short at the end. The final scores were 7-15, 15-7 and 13-15 (rally score).

"The Sharon Springs match was very frustrating," Coach Olofson said. We played well and poorly in the same match. We were down 8-14 in the third rally score game and came back to lose 13-15."
