

Explore the wide world of the Web with our faster connections

We can connect you today!

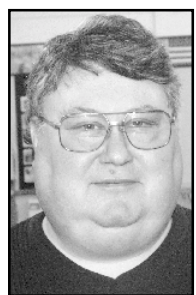

What do you have to do?

nwkansas.com is your key to the Internet. We offer reliable service, fast digital modems and full high speed access to the Internet, the World Wide Web and E-mail all in one package for one low monthly fee. We have customer support here in town to help get you connected. We are the local Internet Service Provider with people who can answer your questions. In most cases, you can be hooked up today.

All the software you need

Most computers come with all the programs you need to get started on the Internet.

Our technical support expert, Tom Betz, will get you online ... and once you're connected, you're on the Web. Just like that.

Faster connections

We've just finished installing new, faster "T-1" lines for inbound calls and new, larger T-1 connections to the Internet "backbone." These electronic lines provide the fastest possible dial-in connections. We can give you the best connections possible today in Goodland, and the best service.

Business services

The Internet is fun, of course, but it is an expanding business tool. The World Wide Web has a thousand uses at work, from stocks to suppliers to weather. And programs like Instant Messenger, E-mail and interactive web sites

may be the biggest advance for business in years.

nwkansas.com offers services to business, from E-mail and Internet accounts to high-speed data services like ISDN connections and office networks. Whatever your information needs, we can help.

Infinite variety on the 'Net

There's a whole new world waiting out there. Whatever you're interested in, the Internet, with its millions of pages and services, has it. Weather, time of day, art, archives, news, hobbies.... If you can imagine it, someone has put it on the Internet.

Use it for business. Use it for school. Use it for pleasure. Use it to find out what's out there. Pick a topic and search the entire World Wide Web for it ... in just seconds.

Paintings from the world's great museums? Stock quotes? Commodities? Of course. The latest news from CNN, ESPN, Associated Press, Reuters, you name it.

E-mail for fun and profit

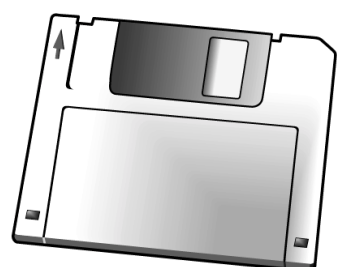

E-mail is fast, affordable and inexpensive. From your computer, you can send and receive messages anywhere in the world ... for no charge ... once you have an Internet connection.

It's easy and reliable. Fast and convenient. You can keep in touch with kids in college, family at home, friends around the world. They have your message in minutes ... and you never have to buy a stamp or leave your desk, at home or at work.

The world.

As close as your phone.
