

# Cougars defeated by Tribune Jackrabbits

Cheylin started out strong in Tribune Sept. 27 and scored the first 22 points of the evening. The Cougar fans were on their feet cheering the team as the quarter came to an end.

Josh Moyer got things going when he scored on a 13-yard. The touchdown plus the conversion point gave the Cougars an 8-0 advantage.

An 8-yard run into the end zone by Matt Wilson put Cheylin up 14-0 and they still have more action to come in the quarter. The next score was in the air and the team of Michael Sager and Wilson put another six points on the board. The two-after touchdown conversion points had Cheylin with a 22-point advantage.

This was a strong beginning for Cheylin but the Jackrabbits joined the competition in the second quarter and by halftime the score was tied 22-22.

Both the Tribune offensive and defense went into action as they not only scored 22 points before halftime but they kept the Cougars scoreless.

When the Jackrabbits once got going, they continued the action into the second half. During the third period the Jackrabbits went in the lead 36-22 as they added two additional scores.

Cheylin came back in the fourth quarter when Sager put a field goal over the goal post for three points and Cole Williams hit pay dirt in the end zone for an additional six points plus two more conversion points for a total of 33.

The Cougars were staging a serious comeback as Tribune was only leading by three points at this time.

Unfortunately the Jackrabbits scored one more time and the final score stood at 44-33.

# Delegate attends planning session to study laws concerning seniors

By Karen Krien

The Kansas Silver Haired Legislature met Wednesday and will continue to meet through Friday. Elmer Kellner, who represents Cheyenne County, left Tuesday to attend the meeting.

During the session, delegates will consider legislation to be recommended to the Kansas Legislature. Topics include: increased funding to local community mental health service center, lowering the costs of prescription drugs, long-term care insurance, disposition of tobacco settlement proceeds, making sure that 30 percent goes to the Health Care for Seniors fund, provide adequate funding for in-home care for the elderly, long-term care ombudsmen (ombudsmen are government officials who investigate

complaints by private citizens against other officials or government agencies as well as resolving complaints and problems) and budget concerns for the Kansas Department on Aging. Sessions will include committee meetings, floor discussions and final voting on the presented issues.

The Silver Haired Legislature is an unicameral legislature composed of 125 delegates. All are over 60 years of age and are elected from their county of residence. The legislature was established 20 years ago by the Kansas Legislature and provides an educational experience in the political process in addition to providing opportunities to identify priority concerns of Kansas Senior Citizens.

Mr. Kellner has served as a Silver

Haired Legislature delegate for two years and welcomes hearing the concerns of senior citizens in the county.

More information may be obtained from [www.agingkans.org/silverhaired.html](http://www.agingkans.org/silverhaired.html) or call Michelle Sweeney in the Kansas Department of Aging 785-296-5222.

### American Legion Auxiliary

The American Legion Auxiliary met for their regular meeting on Oct. 4. Since this was the day of the Cheylin Homecoming and the Auxiliary would be riding on their float, the meeting was limited on time and no special program or refreshments were needed.

The group voted to have their annual Thanksgiving dinner Nov. 23, and not to have their Halloween soup supper as this will be a home football game with Brewster.

The group was reminded that veter-

ans' gifts will have to be in Topeka by Nov. 12. Hulda Dorsch shared an informative report on the National Defense Act passed by the Senate that has ridiculous environmental restrictions on training sites used by United States military. The military is forced to watch out for bird nests, toads, turtles, etc. which is hindering their training.

Sixteen members rode on the float which was planned and headed by Gwen Boswell. Leo Mazon graciously chauffeured the members.

# Delegates set to attend meetings

The U.S. 36 Fall Board of Directors Planning meeting has been set for 1 p.m. on Nov. 1 in Smith Center. The U.S. 36 Highway Association is comprised of people living in towns along U.S. 36 and interested in bringing more traffic and travelers along this scenic route which is also known as, "The shortest route between east and west."

Elmer Kellner, St. Francis, is a field representative. Representatives for Cheyenne County are Bud Erskin and Milton Lampe. They welcome input from residents and businessmen which will then be brought to the meeting.

Those interested in becoming a member of the U.S. 36 Highway Association should contact Mr. Kellner or one of the other representatives.
