## Quinter wins first

By Betty Jean Winston

The St. Francis Indians finished the Oberlin Invitational in sixth place after being defeated in a 66-58 overtime contest by Hoxie on Saturday. Earlier in the week they had been defeated by Oberlin 65-37 and scored a 70-63 win over Atwood.

Quinter placed first, Oberlin second; Cambaridge third, Dundy County fourth, Hoxie fifth, St. Francis sixth, Republican Valley seventh and Atwood, eighth.

Indian Marcus Dodd was honored by being named to the All-Tournament Team. Cale Rieger and Nick Raile participated in the free-throw competition but did not make the finals.

The Indians will not play on the home court again until Saturday night, Feb. 8, when Cheylin visits. Between now and then they will compete on the road against Sharon Springs and in a league game with Goodland.

St. Francis now stands at 6-8 overall with six regular season games left on the calendar. They are 1-3 in league action.

"We're coming down the stretch in the season so we need to stay focused and continue to get better," Coach Greg Wolters said.

Three players have scored over 100 points for the season with Marcus Dodd having 171, Tyler Wolters 168 and Cale Rieger 121.

Defensively, Dodd has had 164 rebounds, Wolters 35 steals and 60 assists.

### Oberlin 65, St. Francis 37

St. Francis drew a strong Oberlin team in the first round of the tournament and the Red Devils showed why they ended up in the championship game with Quinter.

Sainty began the game with a slow offensive effort and continued to follow Oberlin throughout the game. The Red Devils were especially effective in the second and third quarters.

"Not being able to make baskets was the storyline for us," Coach Wolters said. "We were able to get some good looks, but just couldn't get the ball to fall."

Marcus Dodd with 13 points and Cale Rieger with 10 led the Indians' offense during the evening. The team had 12 assists with Tyler Wolters having four, and nine steals with Wolters again coming through with the most.

"We played good defensively, especially in the first quarter (8 Oberlin points), but when you don't generate anything offen-

sively for extended periods, it's tough to maintain focus defensively."

Dodd had six defensive boards and five offensive to help Sainty.

"Oberlin is a very good team and they played well," Coach Wolters said. "We must bounce back against Atwood on Friday."

Sainty was 29.4 percent from the field and 63.6 from the free-throw line. They collected 28 rebounds compared to 34 for Oberlin. The Red Devils were 10-of-12 from the free-throw line for 83.3 percent. They also hit half of their shots from the field.

### St. Francis 70, Atwood 63

The Indians outscored Atwood in the first three quarters and held a 52-38 advantage by the end of the third period. The Buffs attempted a comeback in the final quarter, scoring 25 points, but the Indians counteracted the threat and took the 70-63 victory.

"What a difference a day makes," Coach Wolters said. "We really did the job offensively. We were able to get easy baskets on the break and off of turnovers. We shot 55 percent for the game."

Dodd managed 23 points, Roelfs 17 and Wolters 15 to lead the offensive attack. The Indians were helped by 10 steals and 20 assists. Wolters was the leader in both categories with six steals and 11 assists.

"Atwood was much tougher than when we played them a couple of weeks ago," Coach Wolters said. "They stayed in touch in the fourth quarter, but we were able to make enough free throws to seal the win." (The Indians had 28 free-throw opportunities, making a total of 15, eight of them in the final quarter.)

Defensively Dodd collected 12 of the teams' 28 rebounds with five other players adding to the total.

"This was a good win for us," Coach Wolters said. "The kids bounced back nicely from the Oberlin loss."

"We face a tough Hoxie team on Saturday. We defeated them on the road earlier and they will be wanting to pay us back."

### Hoxie 66, St. Francis 58, overtime

Wolters help the Indians with 24 points Saturday, scoring in every quarter including the overtime and collecting four treys, five field goals and two free-throws. Dodd added 12 points on six field goals.

"This was a tough loss," Coach Wolters said. "When you lose in overtime, the little mistakes you

made throughout the game are magnified."

St. Francis was 42.9 percent from the field connecting on 20-of-45 two point attempts and 4-of-11 treys. At the free-throw line they were 6-of-9, one of their better percentages of the season.

Defensively Wolters and Dodd each had two blocked shots, and Dodd managed nine rebounds, seven of them on the defensive end.

Helping the offense were seven steals and 20 assists. Tyler Voorhies led in steals with six and Rieger in assists with three.

"The guys played hard. Hoxie has a good team," Coach Wolters said. "I think we're improving - we shot the ball better again tonight."

Sainty was ahead at halftime but Hoxie scored 32 points in the final two period while the Indians fell behind with 26 points.

## Junior varsity results released

By Betty Jean Winston

Oakley defeated the St. Francis boys junior varsity basketball team 63-39 on Friday, Jan. 17 and Holyoke won over the Indians on Jan. 18. St. Francis did not have any scheduled games the week of Jan. 20 as the Oberlin Invitational was strictly a varsity event.

### Oakley 63, St. Francis 39

"Again we lost to a team with more skill and experience," Coach David Morrow said. "While Oakley is a younger team, three freshmen started, they have played a lot more basketball than us. Their efficiency and ball skills prove that."

Although St. Francis had a limited offensive production, Michael Raile scored 11 points, all in the second quarter. This moved the Indians close to Oakley after a slow start. Oakley dominated the scoring in the final half.

"After the second quarter, I thought we might be able to close the gap," Coach Morrow said. "In fact, we had brought our score to within three of Oakley's. But the second half was tough on us. We managed only 14 points and proved unable to handle Oakley's pressure. I think all would agree that this was a disappointing effort. Michael Raile was the standout of the game. He scored 11 in his only quarter and played good defense."

SF	07	18	07	07	39
O	13	15	20	15	63

Scoring: M. Raile 11; Trevor Henderson 7, Nick Raile 5, Tyler Voorhies 4, Heath Owens 4, Tanner Kinen 3, Jonathan Roelfs 2; Jonathan Zwegardt 2, Chase Collier 1.

### St. Francis vs Holyoke

Coach Morrow reported that the score and game book data was not received from Holyoke.

"This game was almost a total repeat of the night before," Coach Morrow said. "Again, we lost to a younger, more experienced team. Holyoke was solid in almost every aspect of their game. They pressured us relentlessly and we couldn't handle it most of the time."

"I have never seen such unchecked physical play as what I saw Saturday. It was wholly unfit to be called basketball and certainly not recognizable as such to most who saw it. Had we been in shoulder pads and helmets, I could have lived with it. As it was, it was too rough to do such a great game as basketball justice. This was the most poorly officiated game in my tenure as a junior varsity coach."

"That being said, the officiating did not cost us the game."
