Indians ready for Sub-State action

By Betty Jean Winston
Northwest Kansas League opponent Quinter defeated St. Francis 85-54 on Friday night in Quinter. This was the final contest of the regular season and the team is now preparing for Sub-State which will begin for the boys division on Monday, March 3.

The Indians developed a first quarter lead Friday night but the Bulldogs outscored them 30-8 in the second period and rolled to victory.

Quinter's defensive strength forced St. Francis to put up a number of shots from beyond the arc and Cale Rieger connected on four three-pointers, Tyler Voorhies one and Tyler Wolters one.

"We understand going into the game that it was going to be a great challenge," Assistant Coach David Morrow said. "Quinter is the top-rated team in 2A and they showed it Friday night.

"Our first quarter lead quickly evaporated in the second quarter. Quinter shot the ball very well and

we had several starters on the bench who were in foul trouble. From that point on, we were never able to regain our foothold.

"Cale Rieger had a good night shooting the ball, ending the night with 18 points. This was the final regular season contest for these seniors."

Other leaders for the evening included Marcus Dodd with eight rebounds, Rieger with four assists and Rieger and Michael Raile each with one blocked shot.

Besides leader Rieger with 18 points, Wolters connected for 10 points with nine of them coming in the first half. He was the main scorer in the low-scoring second period.

Oberlin wins game

By Betty Jean Winston
On Thursday, Feb. 20, the Oberlin seventh grade girls basketball team defeated St. Francis 24-18. Oberlin scored in double digits (10) in the second quarter and the St. Francis team could not come back for the victory.

"This was a game of 'again's' it seems," Coach David Morrow said. "We had the lead for part of the game, again. We played hard, again. The team showed improvement, again. And we lost, again.

"The encouraging part of this game was to see our kids compete against a pretty good Oberlin team. We handled the press better than we ever have and played against a man-to-man defense a little more efficiently. We definitely have accomplishments to

be proud of.

"Holly Keller, Dara Loyd, Cassie Dankenbring and Katie Marin scored for us. Loyd led the group with 7 points and played a great game at the point guard position. Marin contributed some good defense to the effort along with Kattie Ford, who is one of our better rebounders."

Scoring: Loyd 7, Keller 6, Dankenbring 3, Marin 2

"Those who played in the fifth quarter also showed improvement," Coach Morrow said. "Teri Walters, for second or third outing in a row, scored very early in the contest. Defensively, we played the fifth quarter very well. Our offense is still coming along."

Boys finish season at Quinter Friday

By Betty Jean Winston
Friday night was the final basketball game for the St. Francis junior varsity boys and they ended the season with a 61-38 loss to a strong Quinter team.

"Looking back on the season, I would have to say that our young kids have definitely shown improvement," Coach David Morrow said. "This season has taught us, though, that effort and improvement in the season are only small parts in the equation for success in this difficult sport. Basketball is one of the most difficult sports to be good at, and most other towns in this league have some sort of summer basketball program for the boys to be a part of.

"We, and they (our opponents) have learned that unless kids play a lot of basketball in the summer, when school isn't in session, that success will not be easily found.

"In short, you can't compete in this sport if you don't have well-honed basketball skills. We will have to change in order to compete in the future."

Quinter 61, St. Francis 38

Jonathan Roelfs and Chase Collier led the Indians in the scoring column with Roelfs scoring all 10 of his points in the second quarter with four baskets and two free throws and Collier having two baskets in the third quarter and five successful free throws in the fourth quarter.

"Frankly, we didn't play with much enthusiasm for most of the night," Coach Morrow said. "There were players who, at times, played well and with pretty good effort. Across the board, however, we didn't play hard enough or well enough to compete with a good Quinter junior varsity team.

"There were times in the second half when I thought it possible to make a comeback, but they never fully materialized. Quinter is a good shooting team with good athletes. It would have been hard, in any case, to beat them."

St. Francis 46, Atwood 45

Friday, Feb. 14, St. Francis was ahead 46-45 when the final buzzer sounded and took home the win. This was an exciting basketball game against a league foe.

Although St. Francis scored the win they did not lead during the entire game. The quarter scores show Atwood ahead at the end of the first quarter and St. Francis in the lead at halftime. St. Francis had to outscore Atwood by two points in the final quarter to earn the win.

"On Friday, the boys were able to come away with a victory for which they played hard, but not particularly well," Coach Morrow said. "We were slow and a little sluggish in the first half. On defense we were slow and seemed to allow Atwood to determine the pace of the game. However, we were ahead by four points at halftime.

"The second half was a situation where we needed a couple people to step up during critical times and take control. All through the second half we fought Atwood up and down the court. In fact, Atwood had pulled ahead by four points with just a few minutes remaining in the fourth quarter. That's when Jon Zwegardt and Andrew Feikert took control of the game. Zwegardt scored 10 of his 11 points in the fourth quarter, giving us a lead of one point with just a few seconds remaining. Feikert was fouled and stepped to the line to hit both of his free throws, giving us a rather comfortable three-point lead. Atwood was able to score a basket as time ran out, but they were not able to score beyond the three-point line.

"I was very happy to see these two players and others on the team play that well in crunch time."

Ladies win final league contest

By Betty Jean Winston
St. Francis finished the regular season with a 55-46 Northwest Kansas League win over Quinter Friday night. This gives the team a 11-9 season record and the momentum to move into Sub-State play on Tuesday, March 4 (see related story on page one).

"This was a good win for us and a good way to go into Sub-State action," Coach Ted Busse said.

St. Francis was very consistent Friday, scoring in double figures in each quarter of play while Quinter produced only seven points in the first period and nine in the third.

The teams were close at halftime with Saintry leading by only two but the Lady Indians turned up the heat in the third quarter to move ahead 42-30.

Although Saintry had trouble hitting from a distance, they connected on 17 two-pointers and had a 34 percent success. From the free-throw line they had 41 attempts and made 21. Having this many opportunities gave the Ladies a definite advantage, especially when 51.2 percent went through the hoop.

"I was really pleased with our defensive intensity in the second half as I thought we stepped it up a notch and Quinter had trouble

matching it," Coach Busse said.

Hitting from the field at an 8-of-12 clip for 66.7 percent and from the line at 80 percent (4/5) gave Kelsey Andrist a 20-point evening. She also pulled down five rebounds.

The best percentage from the field belonged to Meredith Knodel who connected on her one attempt while two players, Ashley Holzwarth and Allyse Lampe were both 100 percent from the line with 2-of-2. Another player with a good night at the line was Kande Raile with 5-of-8 for 62.5 percent.

Quinter found their way under the basket to lead in the rebound category. They had 34 to 29 for Saintry. Gina Frohlich had seven for the Lady Indians.

Amber Feikert led in assists with three and Samantha Coates led in steals with six. Feikert added three steals.

Ladies have 8-6 record

By Betty Jean Winston
The basketball season is over for the junior varsity girls and they finished the year with an 8-6 winning record. The final contest was a 39-35 loss to Northwest Kansas League opponent Quinter on Friday evening in Quinter.

The C-team, which only had three games on the agenda this year, finished with a perfect 3-0 record.

"We really got off to a very slow start (against Quinter)," Coach Susan Dinkel said. "Many of the team

members were sick and just didn't have a lot of energy.

"I really wanted to play everyone more than I got to, it's just hard working 16 girls into a 32-minute game.

"I was very pleased overall with the effort I got from the team the whole year."

Scoring: Amy Grace 13, Meredith Knodel 8, Chelsey Weeden 4, Hannah Sowers 3, Talisa Voorhies 2, Jade DeGood 2, Maddie Knodel 2, Janessa Jordan 2.
