Basketball league teams forming

Atwood Recreation Commission will be hosting a boys and girls sixth through eighth and boys and girls ninth through 12th Summer League Basketball program with entries due April 30. Mike Lankas (E-mail: lankaslabs@hotmail.com) will be the director for the Summer League program. Games will be played May 27 through July 1 with all area teams being encouraged to participate to make this program successful.
 The basketball divisions will consist of each a boy's and girl's high school league and a boy's and girl's junior high league with the student's fall 2003 grade determining age bracket. Each division will

have a bracket consisting of eight teams. Each team is encouraged to have eight players but any team or player that cannot get eight players should still submit applications. Best effort will be made to combine partial teams. If a division does not have enough teams to make a competitive league, all money will be returned in plenty of time for the athletes to enroll in another summer

program. Entry deadline is April 30.
 The girls will play on Mondays and Wednesdays with the boys on Tuesdays and Thursdays. There will be three games played each night for both divisions.
 A printable application form, games, schedules, and times are available at http://www.atwoodkanssas.com/rec_cal.htm/slb.htm. For the first game time (and all following games), please check this website, or contact Joan Cahoj by e-mail: dcfcahoj@ruraltel.net. A copy of the schedule will be given to each player at the first game.
 For additional information concerning fees for the program you may also contact Joan Cahoj.
