At this time Colby's offense moved into action and they made it 3-1 at the end of four and had a good fifth inning to move ahead of St. Francis 4-3. With one more inning to play, St. Francis could not regain the lead and the final score was Colby 4, St. Francis 3.

"Adam Peter pitched very well through the fourth inning and our offense gave him some run support," Coach Justin McAtee said. "We lost focus in the fifth inning and it cost us the win."

St. Francis used the hits they had to good advantage as their total output for the game was three singles (Mac Frewen, Matt Brown and Darren Laffond) and one double (A.J. McAtee). M. Frewen and A.J. collected the runs batted in.

Replacing Peter on the mound later in the game was Brown.

St. Francis used a number of experience to players that could record in the 400-yard free style. Others breaking pool records were Sidnee Crabtree in the butterfly and Gavin Smull in the 400-yard freestyle, but they were second place finishes so their times won't go down.

"My Swimmers of the Week this week were Corbin Sherlock with wins in every event and a new pool record and Christina Hilt, who improved in every stroke and started placing in each event. Some of the events she placed in had over 50 swimmers in them.

"I was very proud of all the swimmers who came to the meet and did their best.

"It is so much fun to see the young swimmers start to place in the meets.

"We spent last week concentrating on flip turns and the butterfly. All of our swimmers were very successful in the butterfly this week and several swimmers improved their freestyle times with a better flip turn. We have this Saturday off but we will be back in action on July 11 and 12 for the league meet back in Burlington.

"A team awards assembly will be held on Friday evening after the team barbecue. Later that evening will be the camp out with Dr. Poling's famous round robin ghost stories.

"We wake up bright and early with fresh biscuits and gravy, followed by a full day of swimming.

"Come support the team." Results from Burlington on Saturday follow:
