

# Drafts and registration numbers from the 1940 Heralds

*Editor's note: Several months ago, Alice Lampe brought in a list that her sister-in-law had faithfully cut from the St. Francis Heralds and listed the draft and registration numbers of those eligible men in Cheyenne County. The staff thought these might be of interest.*

## **The Saint Francis Herald - 1940**

The big draft lottery is completed and much interest is being shown; in the order numbers in which serial numbers that would affect men in this county came 'out of the hat' or literally out of the big bowl from which numbers were drawn. Emil Schorzman of St. Francis, with serial number 158 was the local boy affected by the first drawing, with order number two hitting Ray Watkins, of Bird City, whose serial number is 192. Order number 19 brought serial number 105 out of the bowl, which locally belongs to Dale Moody of Wheeler.

From the first 1200 drawings, the following affected men in Cheyenne County, besides the three mentioned:

A complete list of all serial numbers issued in this county, which with registrations sent in from other places has now reached a total of 639, although one man registered twice in different places, was issued two numbers, and so one had to be cancelled.

Also in connection with local activities for the draft, J.E. Uplinger has resigned from the county draft board because of his health, and Robert Cram has taken his place.
