High school sports practices began on Monday with returning letter winners preparing to lead their volleyball and football teams to success. It's time for the seniors to step up and show their leadership.

The football players have been having two-a-day practices with the early scrimmage at 6:30 a.m. forcing athletes to rise and shine. The football team is returning from another winning season with a final 6-3 overall record last year. The season ended at Stockton with a loss in bi-district play. The team was 4-2 in Northwest Kansas League play.

The volleyball team will be without the services of a number of starters, due to graduation. Four letter winner return following a 17-11 campaign which saw the team earn the right to play in the sub-state championship game. Their trip to state was foiled by Atwood.

The team will play their first home contest on Tuesday, Sept. 2
