NOTICE OF FINDING OF NO SIGNIFICANT EFFECT ON THE ENVIRONMENT It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and, accordingly, the above-named County has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (P.L. 91-190).

The reasons for such decision not to prepare such Statement are as follows: The implementation of this project will not adversely affect the environment. An Environmental Review Record respecting the within project has been made by the above-named County which documents the environment review of the project and more fully sets forth the reasons why such Statement is not required.
