St. Francis Lions Club

The regular meeting of the St. Francis Lions Club was called to order at the Windmill Restaurant at 6:30 p.m. on Monday, July 26, by Elmer Kellner, president. There were 14 members present, for a member attendance percentage of 64 percent.

The meeting opened with the Pledge of Allegiance and John Bartlett gave the invocation. The drawing was won by Ray Huffman.

After the meal several items of business were dealt with including: reports by Deb Patton and Francis O'Leary were given and approved; a birthday card was passed around for Norman Morrow who was to have a "special decade" birthday on Wednesday, July 28; and a motion was made by Mr. O'Leary to sell the "Support Our Troops" ribbon decals at the fair.

After discussion it was determined that if there were enough helpers on each shift, the ticket taker at the train would sell the decals in-between rides. President Kellner will get permission from Dick Bursch of the fair board. If approved, Mr. O'Leary will bring metal for the sign to display the decals and a cash box.

A discussion was held of what pictures to use for the calendar and Mr. O'Leary said he would bring some to the next meeting to choose from. Marvin Zimbelman said he was getting concerns from

customers regarding the print color being difficult to read. Mrs. Patton said there were other colors available and that she would bring in the samples to the next meeting so that members could vote a color choice.

President Kellner said that Dolores Jenik had asked if the Lions had set up any guidelines for the eyeglasses program. It was reiterated that the decision was to follow the same guidelines that the Salvation Army had. Mrs. Patton stated that she had received a sample application form and instruction sheet used by the McDonald Lions Club and that she would take a copy to Dolores and also bring one to the next meeting.

Mr. O'Leary made a motion to donate \$50 to the Tumbleweed Roundup and it was approved. He explained it is a gathering of local talent that reads poetry and plays music. The performances are during fair week and the group could use the funds to advertise and for operating expenses. It was suggested that Mr. O'Leary schedule a program with a member of the Tumbleweed Roundup to talk about the group.

In lieu of a program, the meeting adjourned to the fairgrounds where members were to mow and trim around the tubs and train, set up the equipment and test for operation.

Student News

More than 4,200 University of Kansas undergraduate students were named to Kansas University's honor roll for the spring 2004 semester.

The honor roll comprises undergraduates who meet requirements in the College of Liberal Arts and Sciences and in the schools of allied health, architecture and urban design, business, education, engineering, fine arts, nursing and journalism. The School of Social Welfare does not compile an honor roll.

Honor roll criteria vary among

the university's academic units. Some schools honor the top 10 percent of students enrolled, some establish a minimum grade-point average and others raise the minimum grade point average (GPA) for each year students are in school. Students must complete a minimum number of credit hours to be considered for the honor roll.

Among those named to the honor roll is James Lyons, a senior majoring in geology. Lyons, the son of John and Judy Bontjes, is graduate of St. Francis Community High School.
