Don't ignore this warning.

"Drive carefully. We're strictly enforcing the law."

Law enforcement officers all across Kansas are united in an unprecedented crackdown on drivers who break the law. No excuses. No exceptions. We're especially watching for people who aren't wearing their seat belts. So, if you get pulled over for a traffic violation and are not wearing your seat belt, you aren't going to get just one ticket—you're going to get two! I know you may not like it, but enforcing the law is my job. And I'd rather see you angry than dead.

Click it. Or ticket.

Idalia FFA
Idalia FFA members attended this year's FFA convention included Sean Peters, Jose Munoz, Tyler Manser, Summer McDonald, Veronique Paylor, Creighton Farness and Michelle Schafer.

The national convention trip began Oct. 25 and ended Oct. 31. The group left from Burlington on a charter bus on Monday night and arrived to a town near St. Louis, Miss. Tuesday morning.

They traveled to the International Monsanto Research Center where experiments are done with crops to find a better product. The group then toured the St. Louis Arch Museum. It was amazing how high the arch actually is. Then they boarded the bus again to finish the journey to Louisville, Ky. The members attended the career show and then went to Session I. The National FFA was delighted with the guest speaker, Joe Theismann, ESPN commentator, later that night they enjoyed riding rides at Six Flags Amusement Park and attend a dance. Thursday was filled with attending sessions, wandering throughout the career show, watching the National FFA talent review and the famous Churchhill Downs.

A soldier from Iraq was present to talk to the FFA members. The Idalia FFA Chapter received a 2-Star National Chapter award. This is a very treasured award because it is the third year in a row that they have been recognized with this honor.

The career show was packed with many college representatives, careers to get information on and an ocean of FFA members. Churchill Downs was very interesting, being the place where the Kentucky Derby is held.

Friday was a full day of soaking up the National Convention after a stop that morning at a local tobacco farm.

Schimpff, confectionery or candy creation company was there for the members Saturday. The

candy store in Jefferson, Ind., was one of the favorite because of its higher sugar contents, of course.

Jackie Doddridge and Brandon Weyerman were recognized this year for receiving their American Degrees. The American Degree is the top degree an FFA member can receive. It takes many hours of work in a supervised agriculture experience to receive this award.

The members had a great experience at the convention. It was fun for all to travel through many states and see many people involved and working hard for their FFA organization.

Genealogy search

Stanley and LaNeta Carlock returned home Friday evening following a two-day journey through the sandhills to Mullen, Neb. LaNeta was researching the genealogy of her mother (Opal Collicott). Thanks to some earlier searches from LaNeta's mother, Grandmother Meyer, and aunts; she has been able to trace her heritage back five generations.

In Mullen, LaNeta and Stanley visited the gravesites of her great-grandparents, John and Mary Martin. The earliest generation of Martins sailed on a ship from Rotterdam, Netherlands, in Europe to Lancaster County, Pa., in 1727, before the American Revolution.

Later generations migrated from Pennsylvania and New York to Nebraska, after the American Civil War. Interesting

historical records, stories, and pictures all contributed to the research data.

The Carlocks were overnight guests at the Double RR Guest Ranch north of Mullen. Enroute, they also stopped at Enders Dam, Lake McConaughy and Sutherland Reservoir.

On Thursday, they enjoyed lunch on Front Street in Ogallala. This is one of many enjoyable journeys planned in the family genealogy searches.

Alice is on the computer everyday and loves to hear from people. Her e-mail address is agregory87MSN.COM. Her sister, Floy (Fisher) Ruggles lives in Haigler.

Memorial Service

Late Thursday evening, Nov. 11, Daneen Hilger and husband, Phil and son, Josh, from Lecompton arrived at the home of her parents, Dale and Dode Faylor at the Faylor Ranch. On Friday evening, Nov. 12, daughter, Yvonne Clemens and husband, Royce from Burlington, Colo.,

also arrived at the Faylor Ranch. On that same evening but much later, granddaughter, Shauna Boyd, husband, Brent and three children arrived from Wichita.

On Saturday morning, Yvette Corblik, husband, Dave and three children and Lance Clemens' wife, Stephanie and two children from Burlington arrived. The two children of Lance and Stephanie were grandchildren of Dale and Dode Faylor. Other arrivals on Saturday were Dale's sister, Joan and Bob Spears from California.

The occasion for all of this gathering was the memorial service of Vinnette Faylor (Dale's mother) which was held at the Clough Valley Baptist Church on Saturday afternoon, Nov. 13. Burial was in the cemetery by the church. The services were for family and close relatives only. A complete obituary will be published later.

Dale's sister Joan and Bob Spears left for their California home soon after the memorial services on Saturday. The rest of the family left over the weekend.
