

At Home

Mr. and Mrs. Brock McAtee

Couple exchanges vows during ceremony

Danielle Linn Kriegh and Brock Allen McAtee were married July 31, 2004, at First United Methodist Church, St. Francis.

Parents of the couple are Rick and Deanna Kriegh, Fort Morgan, Colo., and Farrell and Becky McAtee, St. Francis.

The bride was escorted by her father. The matron of honor was Trista Smull, sister of the bride, and the maid of honor was Elaine Ziegler. Attendants were Ashlee Crabtree, Michelle Young, Cindy Zimmerman and Krisson Timken. The junior bridesmaids were Mickey Ann Giehsler, niece of the bride; Valerie Wurm, "niece" of the bride; and Shae Briskie, "lil' sister" of the bride.

The best men were Ryan McAtee and Justin McAtee, brothers of the bridegroom. Groomsmen were A.J. McAtee, Joel McAtee, brothers of the bridegroom, and Reid Kriegh,

brother of the bride. Guests were seated by Matt Smull, brother-in-law of the bride, and Jared McAtee and Neal McAtee, cousins of the bridegroom.

The candlelighters were Trista Smull and Reid Kriegh. Flower girl was Kattie Wurm, "niece" of the bride, and the ring bearer was Hunter Kriegh, nephew of the bride.

The bride graduated from St. Francis Community High School. She is majoring in biology at Fort Hays State University and will graduate in May. She is employed by Great Plains Dermatology.

The bridegroom graduated from St. Francis Community High School and is majoring in industrial technology at Fort Hays State University and will also graduate in May. He is employed by Pfeifer Cabinet and Construction.

Following a honeymoon to Maui, Hawaii, the newlyweds are at home in Hays.

Jan. 18 through Jan. 22

Beef brisket, chicken halves, turkey breast,
ribs & sausage

-St. Francis News-

Shirley Younts of Miram spent Christmas week with her mother, Violet Cranmer.

Pre-Christmas guests of Wilma Lampe on Dec. 19 were Mr. and Mrs. Kerby Krien, Chase and Afton. They enjoyed lunch together at Parkhill, then returned to Wilma's home for visiting and a gift exchange.

Wilma Lampe was a guest of her daughter Linda Gutsch in Denver on Dec. 22. Linda treated her to a Christmas dinner downtown and then to see the Rockettes at the Buell Theater in the Performing Arts Center before returning to Linda's home for Christmas gifts and overnight.

Wilma Lampe flew to Los Angeles, Calif., before Christmas, where she was met by her son Dennis Floyd. She then spent a week with Dennis and Debbie at their lovely home in Laguna Niguel, along with other family members from Texas and Seattle, Wash.

The group of 11 all attended the production "The Glory of Christmas" at the Crystal Cathedral in Garden Grove, courtesy of Dennis and Debbie. The group all enjoyed much family time together with special meals, activities and a gift exchange around the large Christmas tree. Wilma returned to Denver, Dec. 30, where Linda met her at the airport and they enjoyed lunch together before she drove home.

Club Clip St. Francis Lions Club

The regular meeting of the St. Francis Lions Club was held at the Windmill Restaurant on Monday, Jan. 10. The meeting opened with the Pledge of Allegiance and Marvin Zimelman gave the invocation. The drawing was won by Francis O'Leary.

It was reported that the Pancake Day was a big success. Thank you cards were passed around for Leibbrandt Family Pork and Randy Dinkel for their generous donations.

The Nominating Committee will be composed of Mr. O'Leary, Mr. Zimelman and Norman Morrow. Nominations are due by March 28 with the election by April 11. Dale Patton passed out a Club Evaluation form to be completed and returned by the next meeting. Results will be tabulated and returned to the club for further discussion.

Paul Rainbolt presented an interesting Biblical/archaeological video titled "In Search of the Real Mount Sinai" for the evening's program. Following the program, the meeting adjourned.

MARGARET BUCHOLTZ shows one of the quilts which was donated to the Cheyenne County Museum by the South Fork Club, Virginia Fiedler and Jaqua Community.

Officers elected at meeting

The Cheyenne County Historical Society meeting was held Sunday afternoon at the museum in St. Francis. The election of officers was held, the announcement that the audit had been completed was made and members were asked to help with the Museum's cleanup before the summer tourist season began.

The elections found the same slate of officers with the exception of the trustees. Elected by unanimous decision were Margaret Bucholtz, president; Clarence Iliff, vice president; Dorothy Kellner, secretary; and Bert Follett, treasurer. Chuck Kribs was elected to the board of trustees. Dorthy Mast had previously served on the board.

President Bucholtz said she would be calling members to form the committees. Those wishing to serve on a particular committee were asked to sign up or talk to the president.

Merlyn Yonkey, St. Francis, had conducted an audit on the Historical Society books. He said "everything was in order and that it was being ran as well as expected when you are a volunteer organization."

Dee Dorsch announced there would be an archeologist training dig near Kanorado in June.

President Bucholtz said a summons had been delivered to her concerning the St. Francis Area Chamber of Commerce's asking if the museum could use the building that Don Postlethwaite had left to the Chamber. If the Chamber couldn't use it then it was to go to the Cheyenne County Museum. Several months ago the Historical Society had been contacted to see if they wanted the building. It was voted down by the members at that meeting as they felt they did not have the funds to maintain it. The building costs approximately \$300 a month to maintain. It will now be necessary to sign a waiver so the Chamber will be able to sell the building.

President Bucholtz announced that the Vergie and Ray Rogers Memorial money given to the museum had been put in a certificate of deposit until it was decided how to spend the money. Mrs. Mast questioned just which organization the money had been donated to. She questioned if it was to go to the

Museum or the Historical society as that would matter as to which used it. She suggested the president talk to the County Clerk concerning the matter.

Milton Lampe said the U.S. 36 Association was planning to come to St. Francis in June for the annual meeting. The Museum and Ye Ole Country Church will be toured. June is also the opening of the tourist season and members felt that the facility needed to be cleaned by then. A cleaning day was set for 8 a.m. on June 4. All members and anyone else interested should plan to help with the cleaning. It is a large building with many nooks and crannies filled with many items to be cleaned.

The president thanked all those volunteers who had worked at the museum, keeping it open, cleaning and setting up room arrangements.

Following the brief meeting, finger foods were enjoyed and the facility was open for people to see the new items which have been donated to the museum.

WE HAVE GOOD NEWS!

A QUICK PAINLESS METHOD TO ERADICATE HEMORRHOIDS USING MILD ELECTRICAL CURRENT IS NOW AVAILABLE. THIS TREATMENT REQUIRES SEVERAL BRIEF VISITS TO OUR OFFICE, AFTER WHICH PATIENTS GO BACK TO WORK IMMEDIATELY.

WHAT DO THE RESEARCH STUDIES SAY?

In Gastrointestinal Endoscopy, Vol. 33, #2, D.A. Norman R. Newton, and G.V. Nicholas reported the results of treatment of 42 patients with d.c. current therapy. They noted "All patients were successfully treated and symptom free at a mean duration of follow up of 18.2 months." They concluded "This painless outpatient treatment of all grades of hemorrhoids is effective and safe", and "warrants consideration as the treatment of choice of hemorrhoidal disease". In the American Journal of Gastroenterology, Vol. 83, #9, Dr. S. Zinberg reported the results of treatment of 193 patients with this method. "Good results were achieved in 95% of patients."

ADVANTAGES OF HEMCURE OVER OTHER TREATMENTS FOR HEMORRHOIDS: HemCure is far less expensive than surgery, requires no recovery, avoids complications like scarring and infection, and is reported by most patients to cause only mild discomfort during the treatments, which resolves immediately after.

This treatment method is covered by Medicare and most insurance plans. A payment plan is available for patients not covered by insurance, and for patient deductibles and copayments.

We want you to be an informed health care consumer. Our office will be happy to provide further information explanation of fees, and estimate of your out of pocket expense. If hemorrhoids are interfering with the quality of your life, call today.
