For the Record

Sheriff's report
At 6:19 a.m. on Jan. 27, Kerby Krien, Bird City, was headed north on K-27 south of Wheeler when the 2002 Chevy pickup he was driving left the road on the west side and struck an embankment in the ditch at Road D. The pickup landed in the middle of Road D. The pickup was totaled and Mr. Krien, who was not wearing a seat belt, was taken to the Cheyenne County Hospital by emergency technicians.

Corrections
The staff at Bankwest were on their toes and caught an error in one of the "Interesting Facts" which ran in the Jan. 27 issue of The Herald.
The fact, which was taken from the internet, stated that all 50 states were listed across the top of the Lincoln Memorial on the back of the \$5 bill.

The U.S. Treasury Department facts show that engraved on the \$5 bill Memorial are the names of the 48 states in 1922 which was the year the Memorial was dedicated. There are engravings of 26 state names on the front of the building which appears on the note vignette. As a result, only 26 of the states appear on the note.
The upper frieze of the Memorial has the states of Arkansas, Michigan, Florida, Texas, Iowa, Wisconsin, California, Minnesota, Oregon, Kansas, West Virginia, Nevada, Nebraska, Colorado and North Dakota. The lower frieze lists Delaware, Pennsylvania, New Jersey, Georgia, Connecticut, Massachusetts, Maryland, Virginia and New York. In addition, there are the abbreviated names of Hampshire for New Hampshire and Carolina for South Carolina.
