

Fair Days

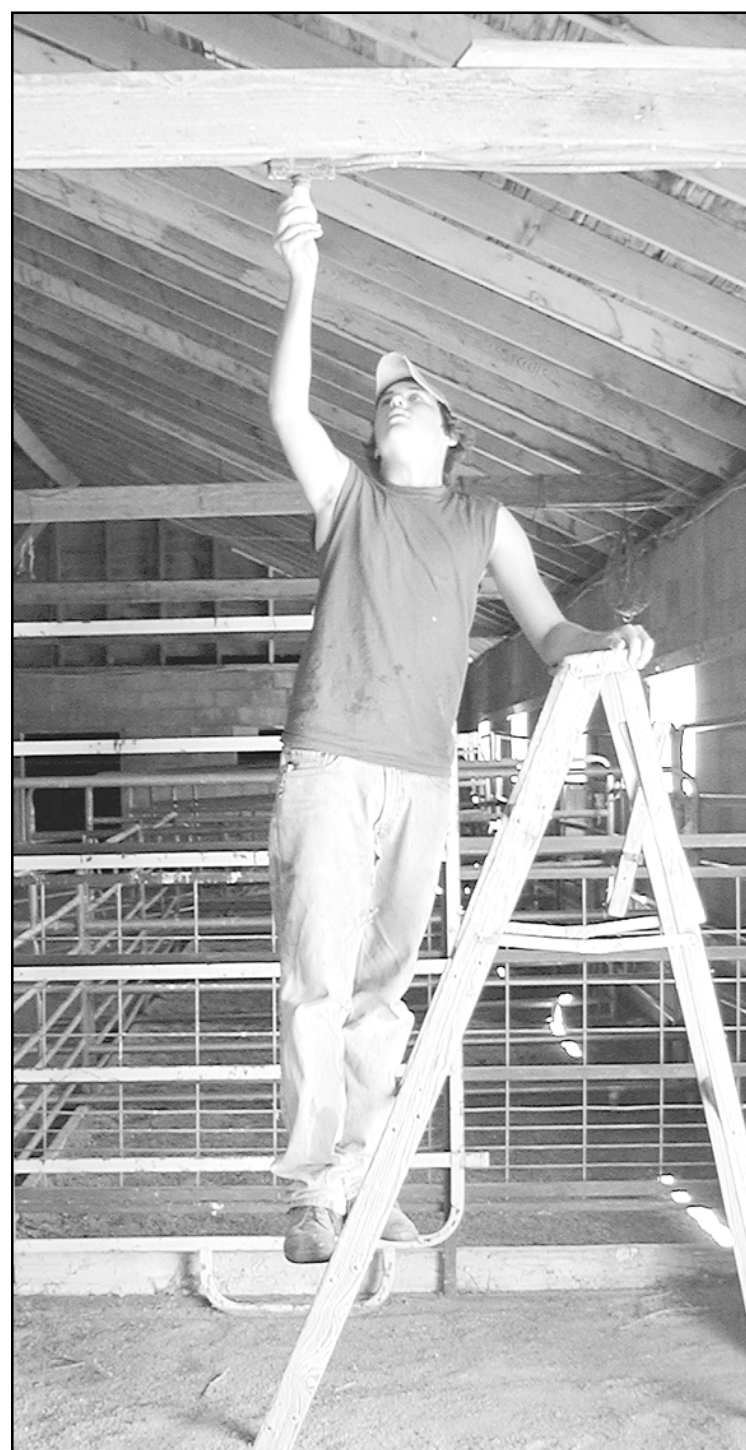

JOHN FINLEY is working on one of the hoses in the livestock barn, making sure that all is in working order.

HANGING THE PLAQUE— Wade Krien and John Guthmiller are hanging the plaque the fair board members had made to recognize those who helped with the grandstands.

MUCH HARD WORK has been put into the booths that are on display in the Fair Building.

THE PLANES have been checked and are ready to fly during the carnival.

Thanks to all the volunteers who get the fair and carnival ready to go!!
