Suffering silently doesn't make you more of a man.

Men are taught to ignore their feelings. Maybe that's why men are four times more likely to commit suicide than women. Emotions don't make you less of a man. Neither does asking for help. We are here for you, too.

You wouldn't ignore chest pains. You shouldn't ignore your feelings either. Please let us help.

Resolution published to attest to an increase in tax revenues

Published in The Saint Francis Herald, St. Francis, Kansas, Thursday, August 25, 2005. (34)

RESOLUTION 05-04
A Resolution attesting to an increase in tax revenues for budget year 2006 for the County of Cheyenne.

Whereas, the County of Cheyenne must continue to provide services to protect the health, safety, and welfare of the citizens of the county; and
Whereas, the cost of providing essential services to the citizens of this county continues to increase; and
Whereas, the Kansas Legislature has capped growth in revenue transfers counties at 1% above the previous year, and well below what is required by state statute (K.S.A. 79-2925b); and
Whereas, the state tax actual collections and state funding to the county has not kept pace with projected totals, thereby further reducing state revenue transfers to

county;
Section One: In accordance with the state law, the County of Cheyenne has conducted a public hearing and has published the proposed budget necessary to fund county services from January 1, 2006 until December 31, 2006.

Section Two: After careful public deliberations, the county commissioners have determined that in order to maintain the public services which are essential for the citizens of this county it will be necessary to budget property tax revenues in an amount which exceeds the 2005 limit.

NOW, THEREFORE, BE IT RESOLVED by the Board of Cheyenne County Commissioners that it is our desire to notify the public of the increased property taxes to finance the 2006 Cheyenne County budget as defined above.
