Resident enjoys turkey song

By Karen Krien
Clara Pittman is the November Good Samaritan Village Resident of the Month. She said one of her favorite songs is "Turkey In The Straw," and she entertained those gathered for the Resident of the Month recognition on Thursday.

Mrs. Pittman was born Clara Holzwarth on May 24, 1920, in Cheyenne County. She is one of four children born to Jake and Christina Holzwarth. Her sister

Alma and brothers Leland and Howard grew up with her on the farm.

She attended Smith Country School up to the eighth grade. In 1942, she married Gerald Pittman. Mr. Pittman was from Bird City but the couple married in San Antonio, Texas. They had two sons, Gary and Gale. Today, they have five grandchildren and three great-grandchildren.

Through the years, she worked at

Angel's Cafe and at Rieb Skogmos. She enjoyed gardening, canning, sewing and cooking.

She ordered a new sewing machine but, when it came, she had laryngitis. She had many questions about the sewing machine so she had to whisper in her husband's ear and he asked the questions.

Ponder These

- If corn oil is made from corn, and vegetable oil is made from vegetables, what is baby oil made from?
- If electricity comes from electrons, does morality come from morons?
- Is Disney World the only people trap operated by a mouse?
- Did you ever notice that when you blow in a dog's face, he gets mad at you, but when you take him for a car ride, he sticks his head out the window?
- Does pushing the elevator button more than once make it arrive faster?
- Why do people point to their wrist when asking for the time, but don't point to their crotch when they ask where the bathroom is?
- Why does Goofy stand erect while Pluto remains on all fours? They're both dogs!
- Can blind people see their dreams? Do they dream?
- If quizzes are quizzical, what are tests?

THESE COWS seem to be enjoying the warm sunlight a week ago. Since then the weather has turned cold.
