## Junior high teams open season with basketball games in Colby

**By Betty Jean Winston**

The St. Francis junior high basketball teams opened their season in Colby on Thursday, Jan. 12. The St. Francis girls had a short practice time before the first game, beginning winter sports on Jan. 3 and playing on Jan. 12.

The A-team and B-team were both defeated by Colby with scores of 41-8 and 51-11 respectively.

**A-team - Colby 41, St. Francis 8**

"We had many 'first game' difficulties," Coach David Morrow said. "For most of the girls that played in this game, it was their first junior high basketball contest, and that usually brings a certain amount of anxiety with it. You could tell in the second half that we were starting to settle down play better."

"Though this Colby team was pretty good, we feel like we'll be able to compete much better if we see them later in the season."

"Kaycee Williams and Sarah Trembly handled the ball most of the time for us and scored half our points. Aly Marin scored the other half."

"Now that we have the first game behind us, we can start working on things that we need to improve upon to make us more competitive this season."

**B Team - Colby 51, St. Francis 11**

"The B-team for Colby was a very good one," Coach Morrow said.

"You could tell these kids have been on the court a lot and were very skilled for their age."

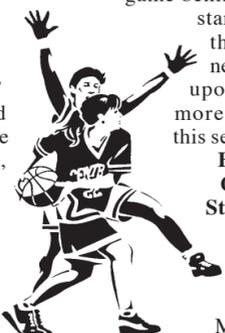

"That being said, we made a lot of mistakes that made it difficult to compete with them. As with the A-game players, many of our kids in the B-game were seeing competition for the first time on a basketball court."

"On a positive note, we seemed to work hard most of the time and try to get into the right places on offense and defense. I think we will see a lot of improvement from this group of players."

**Fifth quarter St. Francis 6, Colby 5**

"We won the fifth quarter by a score of 6 to 5," Coach Morrow said. "Mikaela Grace and BreAna Zwegardt scored those points."

Sainty will play games with Hoxie at home today (Thursday) at 4 p.m.
