

Show planned for Yuma on March 23

One of the longest running shows from Branson, Mo., will be appearing at the Yuma (Colo.) High School auditorium on March 23. This show has been treating audiences in Branson to bluegrass, gospel and country music for more than 22 years. Of course, they throw in a little comedy to their routines to make old and young enjoy their show even more.

The Braschler Music Show started as a family show, consisting of mostly Braschlers. Now the show still has several family members performing along with some other great entertainers.

Cortlandt Ingram is the fiddle player for the show and has been play-

ing with them for four years. Cortlandt is the son of Randy and Beverly Wenger of Yuma. He entertained in Yuma when he played with Southern Sky at the Irrigation Research Farm Show several years ago.

This is a great opportunity to view a show that has entertained thousands of people who have visited Branson. There will be two shows for you to enjoy.

One show will start at 4 p.m. and the second show will begin at 7:00.

For more information or for purchase of tickets, contact Wenger Agency 970-848-3392, or State Farm Insurance 970-848-3276 and in Holyoke 970-854-3980. Additional information available in the ad.

Team captains meet to organize event

Cheyenne County American Cancer Relay for Life organizers are starting to prepare for the seventh Relay for Life by holding a team captains meeting at 10 a.m. on March 11 at the St. Francis Equity meeting room.

"We are needing teams for the Relay," said Deb Lindsten, chairman.

"Anyone wanting to organize a team should plan to come to the meeting or call me at 785-332-2022."

The Cheyenne County Relay

for Life will be held on Aug. 19 and 20 at Sawhill Park in St. Francis. People are urged to gather their family, friends, co-workers, neighbors — everybody and anybody to help fight cancer.

The money raised through the Relay for Life goes to help fight cancer.

"Remember that cancer doesn't stop for anything so why should we?" Ms. Lindsten said. "Help us to fight for a cure by making a commitment now!"
