Season over for Ladies

By Betty Jean Winston

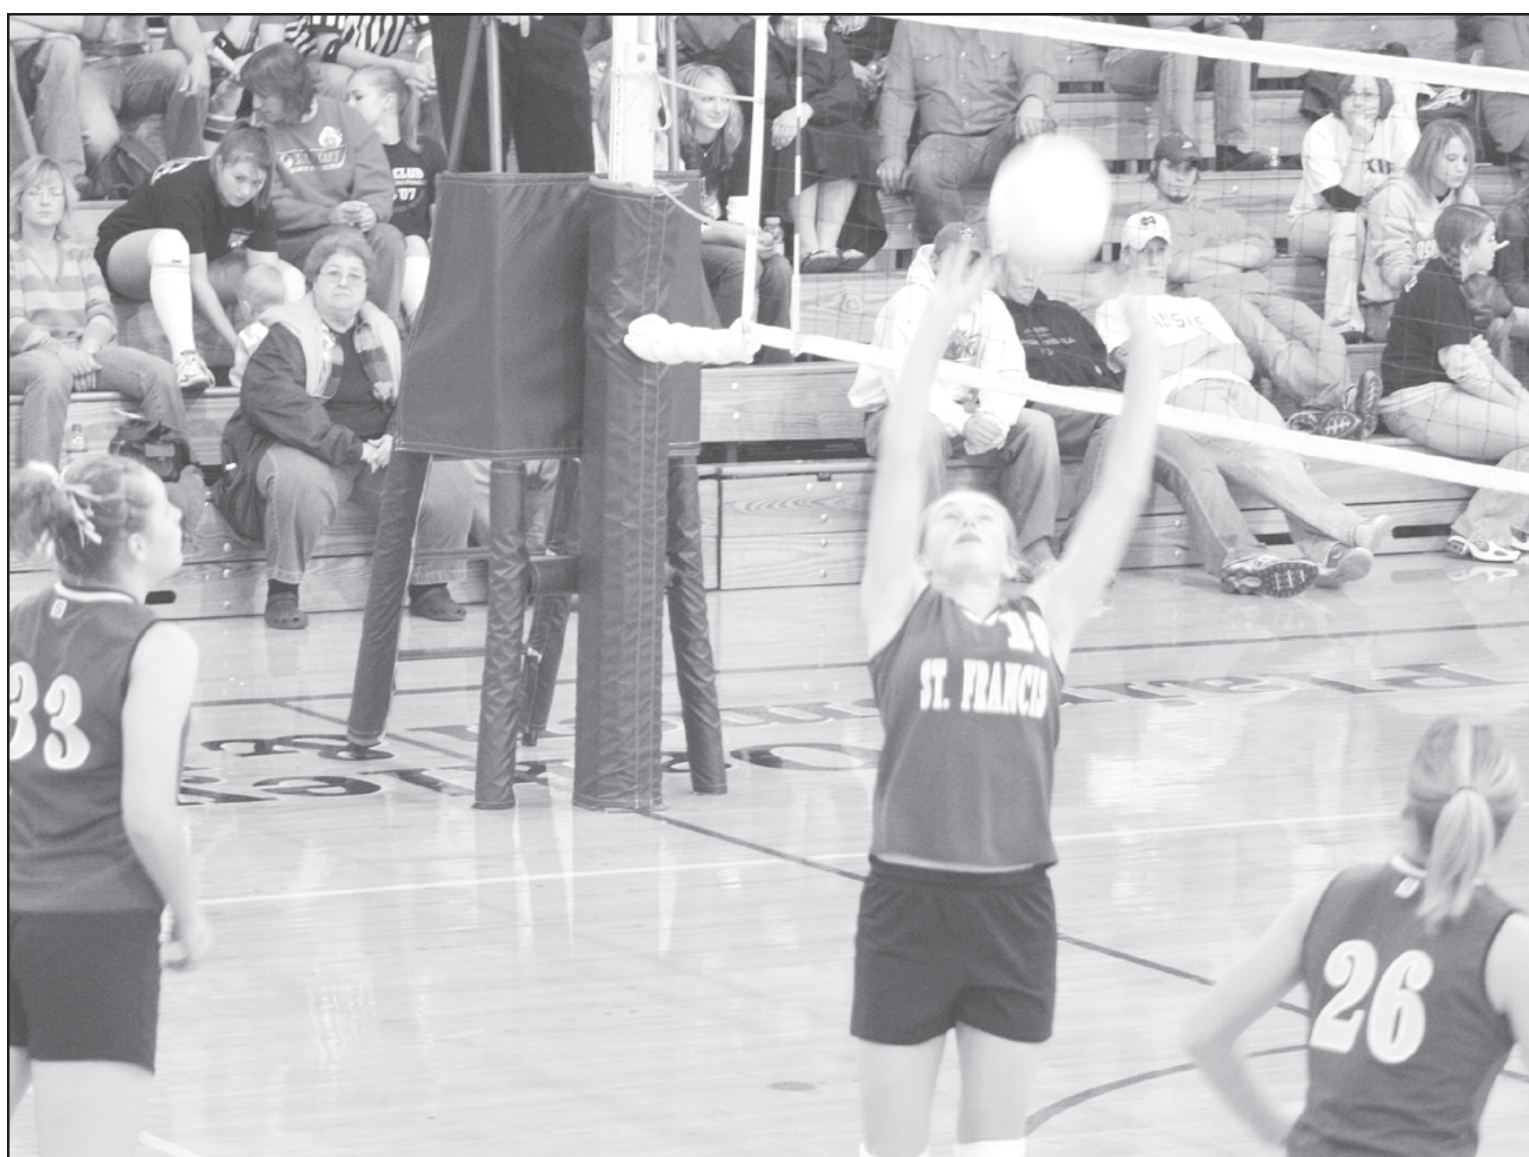

St. Francis and Ellis met in the final match of the first round of the Oakley Substate Volleyball Tournament held Saturday. Ellis eliminated St. Francis from the end-of-the-season play in two games. The final scores were 16-25, 22-25.

Oakley was the final winner of the tournament and earned the right to attend the 2A State Tournament this weekend. Teams winning the first round were Oakley, Hoxie, Ellis and Hill City. In the semifinals Oakley and Ellis prevailed with Oakley taking the final match in two games.

"We played very well in the first game against a good Ellis team," Coach Kent Kechter said. "The game was back and forth with both teams exhibiting good skills and great hustle. The game was tied at 23 all but we just didn't make the necessary plays to seal the win.

"In the second game of the match, we got off to a terrible start. Our execution was off. Ellis made some good plays and we were down 9-0 before we even got to serve. We tried hard to make a game of it, but we missed four serves in the match which made it difficult to catch up.

"I was proud of our hustle, especially in game one. We just needed to execute a little better in game two to stay with a good Ellis team.

Junior Varsity

St. Francis defeated Rawlins County at Atwood on Monday, Oct. 16 by the score of 30-8. The team has earned a winning season and played hard throughout.

"This was a good way to finish the junior varsity season for these young men," Coach Ted Busse said.

"We moved the ball on offense by dominating the line of scrimmage. When the men up front fire off the football like these guys did, then it

really makes things click."

Scoring for St. Francis included a 54-yard touchdown reception from Trent Kinen to Keaton Frewen and three rushing touchdowns by Trent Raile. He went into the end zone from 3-yards, 38-yards and 41-yards.

Conversion points came on a Kinen pass to Matt Raile and two rushing attempts by T. Raile.

"What a way to finish the season," Coach Brett Petersen said.
