Thank You

Words cannot begin to express my sincere "thanks" to all the people who took the time to organize the Hog Roast to benefit my fight against Leukemia. There are just not enough words out there to express the gratitude I have for all the individuals and families that reside in Brewster and the surrounding communities of Northwest Kansas. I would like to extend my appreciation to everyone who took time out of your busy schedules to donate food, time and money to benefit my cause. It's such a wonderful feeling to know you are loved, and that there are people out there who truly care. You have helped transform my tears and pain into smiles and hope and I couldn't ask for more! It is wonderful to be reminded that there are so many supportive people who make a difference in the lives of cancer patients like myself. My family and I wanted everyone to know how grateful we are for all of your kindness you have shown to us during this difficult time. Thank you for your thoughtfulness, generosity and support.

Gloria Ribordy and Family
