Introducing The Sentricon Termite Colony Elimination System with HD.

Sentricon is the #1 selling termite protection treatment!

During the month of May World Pest Control is offering the Sentricon system treatment on your home or business for \$1100 plus sales tax. Call for details.

Your home can be protected with grams of chemical instead of applying hundreds of gallons of liquid chemical around and under it.

Liquid chemicals start to break down as soon as they are put in the soil. Most of them will be gone in 5 years putting your home at risk again. The Sentricon system stays active day after day and year after year.

**DIY**

Are you a do it yourselfer? Many termite products are available for you to treat your own home. Save money by doing it yourself. Contact World Pest Control today about do it yourself products like Termidor Termiticide, Premise Termiticide, and Advance Termite Stations.

If you want a professional treatment by a professional company contact World Pest Control about the Sentricon Termite Colony Elimination System with HD.
