**WANTED 31 Participants to Try the Latest
Advancements in Hearing Aid Technology!**

As you may be aware, recent breakthroughs in hearing aid technology and counseling have generated a lot of enthusiasm for present hearing aid wearers and those who suffer from some degree of hearing loss.

To celebrate these advances, we are looking for 31 participants to be among the first individuals to try S Series™ iQ by Starkey. With S Series iQ, all other hearing aids are obsolete. It is the only hearing aid with Starkey's Voice iQ and InVision Directionality. Together these amazing technologies are designed to preserve speech understanding in noise.

Join us Thursday, August 4, 2011 from 9 - 5 at Fairview Estates Retirement Community, 1630 Sewell Ave.

During this event we will be offering the following FREE SERVICES:

- FREE hearing consultation and evaluation using the latest state-of-the-art-equipment.
- FREE otoscopic examination of your ears to check for wax build-up.

This is an exclusive invitation sent to our friends, neighbors and patients. Please call early to make an appointment as space is limited. Remember, there is NO COST for these services.
