Valley Hope Association is currently expanding our IS Dept. and recruiting for a database administrator to maintain and ensure the reliability, integrity, and availability of the database systems. The ideal candidate will have at least some database administration experience in a Microsoft SQL server environment as well as familiarity with database backup systems and procedures. We highly value candidates who can learn and grow. Even if you do not fit our description of "ideal" candidate, you might be the right person for this job if you understand database administration and software design or have the drive to learn how to maintain a vibrant database system and develop productive computer software. This position has good salary growth potential. AN experienced database administrator at Valley Hope can earn more than \$50k. valley Hope also offers a generous benefits package that includes a portion of the health insurance, retirement plan, flexible benefits plan, life insurance, generous PTO and more. Please email resume to employment@valleyhope.org. EOE
